[The Interpretation of Dreams](#)

Artemidorus, 200-160 AD Dreams are products of the mind and do not come from any external source Artemidorus The Interpretation of Dreams Oneirocritica is the richest and most vivid pre-Freudian account of dream interpretation and the only dream book to have survived complete from Graeco-Roman times Written in Greek around AD 200 when dreams were believed by many to offer insight into future events the work is a compendium of interpretations of dreams on a wide range of subjects relating to the natural human and divine worlds It includes the meanings of dreams about the body sex eating and drinking dress the weather animals the gods and much else Artemidorus technique of dream interpretation stresses the need to know the background of the dreamer such as occupation health status habits and age and the work is a fascinating social history revealing much about ancient life culture and beliefs and attitudes to the dominant power of Imperial Rome Martin Hammond's fine translation is accompanied by a lucid introduction and explanatory notes by Peter Thonemann which assist the reader in understanding this important work which was an influence on both Sigmund Freud and Michel Foucault
