Official Guide of the Railways and Steam Navigation Lines of the United States, Porto Rico, Canada, Mexico and Cuba ,1935

Handbook of Adolescent Transition Education for Youth with Disabilities Karrie A. Shogren, Michael L. Wehmeyer, 2020-05-26 Now in a thoroughly revised and updated second edition this handbook provides a comprehensive resource for those who facilitate the complex transitions to adulthood for adolescents with disabilities Building on the previous edition the text includes recent advances in the field of adolescent transition education with a focus on innovation in assessment intervention and supports for the effective transition from school to adult life The second edition reflects the changing nature of the demands of transition education and adopts a life design approach This critical resource is appropriate for researchers and graduate level instructors in special and vocational education in service administrators and policy makers and transition service providers

Handbook of Research on Advancing Critical Thinking in Higher Education Wisdom, Sherrie, Leavitt, Lynda, 2015-07-17 The importance of critical thinking has surged as academics in higher education realize that many students upon entering college lack the critical thinking skills necessary to succeed While much has been written regarding the lack of critical thinking less has been written on the success of methods implemented to develop this fundamental skill The Handbook of Research on Advancing Critical Thinking in Higher Education explores the effective methods and tools being used to integrate the development of critical thinking skills in both undergraduate and graduate studies Due to the difficulties associated with teaching critical thinking skills to learners of any age this publication is a crucial addition to the scholarly reference works available to pre service and early career teachers seasoned educational professionals professors across disciplines curriculum specialists and educational administrators
