Summary of Daniel Bryan & Craig Tello's Yes Everest Media, 2022-05-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The test I took involved reading many different statements and then indicating if the statement was true or false I scored low in all the primary markers except one learning approach for which I was in the eighth percentile I seemed to have no drive few social skills and an inherent apathy toward most of the ideas our modern business culture seems to find so important 2 I was very quiet as a child I spent a lot of time on my own because I wasn't overly social which is essentially the same as now I had a tendency to follow my older sister Billie Sue around
