Index-catalogue of Medical and Veterinary Zoology ,1981      *Types of Social Structure in Eastern Indonesia* Franciscus Antonius Evert Wouden,2013-03-09 BY G W LOCHER Some years ago in a discussion of the modern concept of structure Levi Strauss contended that the extraordinarily widespread employment of the term structure since 1930 reflected a rediscovery of the concept and the term rather than the continuation of a prior usage This assertion may be correct in general but it does not apply to the Netherlands at least not so far as the concept of structure is concerned The transmission of the concept in that country can in fact be quite easily traced It began in 1917 with the publication by van Ossenbruggen of a study of the Javanese notion of *montja pat* a paper which was influenced to a high degree by the famous monograph by Durkheim and Mauss *De quelques formes primitives de classification* which had been published at the beginning of the century 2 An even clearer structural approach is to be found in the extensive Leiden thesis of 3 W H Rassers *De Pandji Roman* This dissertation itself refers with particular emphasis to van Ossenbruggen's paper and to the monograph by Durkheim and Mauss as well as to various other publications by them The studies later made by Rassers were also of such a kind that when a collection of them was published in English in 1959 under the title *Panji The Culture Hero* 4 they were aptly subtitled *A Structural Study of Religion in Java*      **National Geographic Family Reference Atlas of the World** National Geographic Society

**Index-catalogue of Medical and Veterinary Zoology. Supplement 1-** United States. Bureau of Animal Industry. Zoological Division,1953      Optional Choice of Court Agreements in Private International Law Mary Keyes,2019-10-18 This book highlights the importance of optional choice of court agreements and the need for future research and legal development in this area The law relating to choice of court agreements has developed significantly in recent years reflecting their increased use in practice However most recent legal developments concern exclusive choice of court agreements In comparison optional choice of court agreements also called permissive forum selection clauses and non exclusive jurisdiction clauses have attracted little attention from lawmakers or commentators This collection is comprised of 19 National Reports providing a critical analysis of the legal treatment of optional choice of court agreements including asymmetric choice of court agreements under national laws as well as under multilateral instruments It also includes a General Report offering an overview of this area of the law and a synthesis of the findings of the national reporters The contributions to this collection show that the legal treatment of optional choice of courts differs between legal systems In some countries the law on the

effect of optional choice of court agreements is at an early stage in its development whereas in others the law is relatively advanced Irrespective of this the national reporters identify unresolved issues with the effect of optional choice of court agreements where the law is unclear or the cases are conflicting demonstrating that this topic warrants greater attention This book is of interest to judges legislators lawyers academics and students who are concerned with private international law and international civil procedure Rural Development: Indonesia and the Philippines ,1985 **Negara Hukum Pancasila** ,2023-04-15 Berdasarkan ketentuan Pasal 1 ayat 3 UUDNRI 1945 yang menegaskan bahwa Negara Indonesia adalah Negara Hukum Ketentuan tersebut menuntun dalam kehidupan bermasyarakat berbangsa dan bernegara termasuk dalam penyelenggaraan negara harus tunduk dan berpedoman pada hukum Hukum adalah panglima yang dapat mengantarkan bangsa Indonesia mewujudkan tujuannya sebagaimana ditegaskan pada alinea ke empat pembukaan UUDNRI 1945 yakni melindungi segenap bangsa Indonesia dan seluruh tumpah darah Indonesia dan untuk memajukan kesejahteraan umum mencerdaskan kehidupan bangsa dan ikut melaksanakan ketertiban dunia yang berdasarkan kemerdekaan perdamaian abadi dan keadilan social Buku ini hadir dalam upaya memberikan pengetahuan dan pemahaman akan hakekat Negara Hukum Pancasila dalam rangka tetap mempertahankan dan menghidupkan nilai nilai Pancasila sebagai milik bangsa Indonesia Selain itu pemahaman akan hakekat negara hukum Pancasila diharapkan menjadi kontrol bagi pembentuk peraturan perundang undangan sebagai wujud nyata negara hukum Pancasila Dengan demikian akan terbentuk pertama Undang Undang dan peraturan perundang undangan lainnya sesuai sesuai dengan hakekat negara hukum Pancasila Kedua bangsa Indonesia yang peduli akan keberadaan negara Hukum Pancasila Managing Disruption and Developing Resilience for a Better Southeast Asia Nawawi,Athiqah Nur Alami,Julius Bautista,Maitrii Aung-Thwin,Deasy Simandjuntak,Yanu Endar Prasetyo,2025-10-22 This open access book stemming from the biennial Consortium for Southeast Asian Studies in Asia conference confronts numerous contemporary issues in the Southeast Asia region under the banner of the 2022 theme Managing Disruption Developing Resilience for a Better Southeast Asia Providing a platform for discussion and collaboration in the fields of sociology education population studies cultural studies public health international relations and other humanities and social science disciplines the range of interdisciplinary chapters focus their critical analyses vis vis the interpellation of economic social historical artistic cultural religious and political viewpoints Organized into three sections the first looks at new models of economic development the challenges to education quality the labor market in the digital era and the demographic changes and critical issues facing both the young and elderly in the region The second examines disasters as a future challenge for risk management understandings of contemporary society and culture the digital humanities social development in the time of COVID 19 and identities in relation to religion minorities and social harmony The final section addresses diaspora migration the region in the pandemic citizenship and human security democracy and human rights as well as foreign policy diplomacy and state sovereignty in Southeast Asia As ASEAN comes of age there has
