Land Administration and Practice in Hong Kong, Fifth Edition Roger Nissim, 2021-11-01 The purpose of this book is to explain both the historical context and current practices of land administration in Hong Kong Although Hong Kong has an open and business friendly environment it is underpinned by a socialist leasehold land tenure system The government is landlord to virtually all land and so it plays a pivotal role in the administration of this scarce and therefore valuable resource As land administration is governed by private contract law rather than legislation it is constantly evolving with the courts handing down significant decisions on a regular basis Government practice has to respond to this as well as the community s concern on how best land can be administered The fifth edition has some substantial and important updates which should continue to be useful to both students and practitioners of surveying architecture planning and law as well as the wider business and financial community 羅國瑞 Roy T. Cowles, 1965

Ying-Ying Jeanne Joe, Faustino Caigoy, 2014-06-30 A child s special window reflects her dreams joys pain and fears She recaptures unforgettable experiences the fear of being left alone the mystery of a gambling place the joy of performing the pain of parental discord and the challenge of dealing with bullies Youngsters will be entertained as they learn life lessons along with Ying Ying It is a reminiscence of a sensitive yet feisty Chinese American girl that will bring tears of recognition to anyone who has been young
