Rethinking the End of the World B. L. Cooper,2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today s Christians lack a basic understanding of apocalyptic spirituality or do not understand God s mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return

Whispers from God Janaé Kristen Werner,2021-10-29 ONE WHISPER FROM THE LORD CAN CHANGE EVERYTHING Thirteen years ago Jesus asked me Are you willing to give up everything to follow Me After years of hesitation I finally answered yes It wasn t the moment I gave my life to Christ for salvation but it was the moment I gave my life in sacrifice Whispers from God are the stories of what began happening to me the moment I believe the Lord knew I was serious about saying yes The kind of serious that means living life on my knees at the foot of the cross One thing I have learned on this journey is that truly following Jesus isn t for the faint of heart But it is for those who long to give all of their heart and it is absolutely worth it From the uncomfortable to the unexpected these are some of the stories throughout my life of times the Lord whispered to

me stories of learning and understanding how to function in the prophetic and what it means to continually seek His face sit in His presence hear His voice and act on it My instructions from the Lord have been to go light your world and these are some of the ways I believe He s asked me to do it My prayer is that He speaks to your heart through the stories that have deeply impacted my life and they begin for you a journey of seeking the Lord listening earnestly for the quiet whispers of His voice He s waiting are you listening And so here is my heart 1 **Pouring In** Kim Kurtz,2018-03-13 The world had changed Families had changed Values had changed The meaning of religion had changed After author Kim Kurtz graduated from high school twenty five years ago the world was not what she expected The moral landscape of college and life thereafter was hostile and foreign She struggled when the faith of her childhood didn t translate smoothly into adulthood She was disillusioned when the formulas of faith and church that she had always known no longer worked The messiness of life the difficulty of marriage and relationships and the many ups and downs she experienced were overwhelming Her faith couldn t handle it and she walked away According to research Kim wasn t alone 75% of young people raised in a Christian home leave the church after they leave the home Numerous studies show that Christian families are losing their kids and have been for decades A majority of church youth aren t developing a personal powerful and passionate faith in Jesus Christ And a passive faith quickly fades to no faith at all We can no longer afford as Christian parents as the church or as a nation to ignore this problem Pouring In addresses the profoundly difficult task of passing on a lasting faith to future generations Effectively passing on the baton of faith allows our kids to experience the love peace and hope that can only come from a genuine relationship with Jesus Christ Make no mistake YOU have the power to greatly affect the trajectory of your child s faith *Free of Me* Sharon Hodde Miller,2017-10-03 We live in a culture that s all about self becoming the best me I can be instead of becoming like Jesus This me centered message affects every area of our lives our friendships our marriages even our faith and it breaks each one in different ways The self focused life robs our joy shrinks our souls and is the reason we never quite break free of insecurity In this book Sharon Hodde Miller invites us into a bigger Jesus centered vision one that restores our freedom and inspires us to live for more She helps readers identify the secret source of insecurity understand how self focus sabotages seven areas of our lives learn four practical steps for focusing on God and others experience freedom from the burden of self focus Anyone yearning for a purpose bigger than project me will cherish this paradigm shifting message of true fulfillment *If My Husband Would Change, I'd Be Happy* Rhonda Stoppe,2015-08-01 Like most brides on their wedding day you no doubt were filled with love for your husband and the hope of a happy life together But perhaps today as the realities of life together have settled in those happy expectations are going unfulfilled And it s tempting to think If only my husband would change I d be happy That myth is but one of many that Rhonda Stoppe dispels in her easy to read exploration of what it takes to experience a truly happy marriage In the process she addresses such important topics as understanding your husband s need for your unconditional respect rekindling the love that drew you to your husband in
