

A wide-angle photograph of a two-lane asphalt road that curves gently to the right. The road is flanked by metal guardrails. On either side of the road are rolling hills with a distinct orange-brown hue, characteristic of desert soil. The sky above is filled with large, white, fluffy clouds. The overall scene conveys a sense of a long, open journey.

You Can Get There From Here:

You Can Get There from Here Shirley MacLaine, 1975 Invited to visit the People's Republic of China the author and a group of American women were not prepared for what they saw and learned *You Can Get There From Here* Bob Stanhope, 2017-12-11 I'd always wanted to travel except that I didn't know it After graduating from college getting a job and setting out on my own I made some sporadic attempts to see some of the world It took a while to figure out how and it was only after I got married that the two of us came upon a strategy that worked for us This book is a collection of stories about my mostly modest opportunities to travel This is not a how to book There will be no listings of the best places to go You will not find even a slightly comprehensive guide to locations National Parks interesting cities countries or anything else particularly useful However I hope you will find some interesting and amusing stories about surprises that we encountered along the way *You Can Get There from Here* Paul LeBlanc, 2013-06-27 Forward Dear Paul My friend Paul LeBlanc and I have had many wonderful adventures together over the years I knew we were going to be friends when we first met on a film called *Silence of the North* in 1981 We were shooting in northern Canada in 40 degree temperatures I had a scene where I had to run out of my cabin because a bear was on the roof and shoot the bear Paul and I were inside the cabin just the two of us waiting for my cue When the bear went on the roof the rafters of the cabin started sagging and the snow came pouring in It looked like the roof was going to give way and the bear fall through and join us in the small cabin We were terrified At which point Paul wailed Oh please I just wanted to be a hairdresser I laughed so hard I dropped my rifle And what a hairdresser he is Hes always been my favorite not just for his amazing artistry which he demonstrated on me over and over again in many films but most particularly in *Requiem for a Dream* in 2000 Hes done my hair not only for films but also for the Oscars the Tonys in Paris in London in limousines in all temperatures and under every imaginable condition But we've always had a great time together and hes always made me laugh as Im sure readers of his book will Ellen Burstyn 2006 **You Can Get There from Here** Bob Knowling, 2011-09-29 Not just another business autobiography this is a fascinating and uplifting look into one man's leadership journey through poverty hardship racism and betrayal to becoming one of the most inspirational business leaders of our time Jane Marvin former SVP human resources Ross Stores Inc Bob Knowling is respected by many of America's most admired executives from Jack Welch to Michael Bloomberg He has led large organizations through periods of dramatic transformation management guru Noel Tichy calls him a change agent's change agent But even more impressive than Knowling's résumé is the road he took to the top He grew up as one of thirteen children in Indiana shuttling between the homes of his divorced parents surrounded by crime poverty drug abuse and racism Later he lived and worked on his grandparents farm in Missouri No one encouraged him to have big ambitions or even bothered to ask What do you want to be when you grow up But Knowling used his athletic and academic talents to earn a college scholarship and later an MBA He became an expert at leading change helping others see a better future then work hard to make it real

Knowing's story proves that almost any disadvantage can be overcome with persistence and a passion for excellence. And it teaches us how to embrace change rather than cling to the past. It is easy to lose sight of our potential in a time of economic turmoil, joblessness, and confusion. Knowing reminds us that none of those conditions is permanent and more important, that none of them excuses us from making a concerted effort at whatever we try to do. As he puts it, "You turn around organizations in most cases by turning around individuals. The real lesson of transformation is that it happens not in companies and not in offices but in lives." Knowing believes that we do not define ourselves by our upbringing or the external conditions of our lives. It's our response to those conditions that counts. It's not where you came from; it's what you do with your potential. You'll be amazed to learn where Knowing came from and how he got from a really distant there to a very inspiring here.

You Can't Get There from Here David Patrick Cook, 1993 *Can't Get There from Here* Todd Strasser, 2010-05-11

Her street name is Maybe. She lives with a tribe of homeless teens, runaways, and throwaways, kids who have no place to go other than the cold city streets and no family except for one another. Abused, abandoned, and forgotten, they struggle against the cold, hunger, and constant danger. With the frigid winds of January comes a new girl, Tears, a twelve-year-old whose mother doesn't believe her. Her stepfather abuses her. As the other kids start to disappear, victims of violence, addiction, and exposure, Maybe tries to help. Tears get off the streets if it's not already too late.

Todd Strasser, author of the powerful and disturbing *Give a Boy a Gun*, again focuses on an important social issue as he tells a thought-provoking, heart-wrenching story of young lives lost to the streets and of a society that has forgotten how to care.

You Can't Get There from Here Ryan Porter, 2019-04-08

Rather than reading small-town representations in Canadian literature as portraits of a parochial past or a lost golden age, this book claims that they are best understood as sophisticated statements on the effects of modernity in an ever more cosmopolitan world. In Ontario, as urbanization increased over the past century, small towns became a popular literary trope, and Ryan Porter argues that literary small towns are reflections and even sublimated explorations of contemporary life. Referencing the theories of heritage scholars who view popularly understood pasts as constructions shaped by changing sensibilities, *You Can't Get There from Here* argues that the literary small-town Ontario past is malleable, consisting of attempts to come to terms with the present in which the narrators find themselves. The book focuses on four key Ontario authors: Stephen Leacock, Robertson Davies, Alice Munro, and Jane Urquhart, as well as many secondary authors, and links the readings to much broader trends in actual Ontario towns and in popular culture.

THEN AND NOW In 1971, as an undergraduate student at Loyola University of Chicago, I often sat on the steps of the Chicago Water Tower during class breaks. I watched the traffic flowing north and south along Michigan Avenue's bustling Magnificent Mile. As a kid who hailed from the housing projects on the west side of Chicago, I marveled at the late model cars, beautifully tailored pedestrians, and the expensive boutiques that lined the street. I often wondered, "How do you get there from here?" In 1994, I arrived in Bentonville, Arkansas, to assume my new post as the Senior
