The Rush and the Rest Jamin Bradley,2018-08-23 After writing a book that affirmed science on a level that made many Christians uncomfortable Pastor Bradley becomes an enigma by writing a book that affirms the supernatural on a level that makes many Christians uncomfortable The Rush and the Rest is the product of a decade worth of studying and practicing the supernatural ways of the Holy Spirit Bradley aims to take us deeper into the Scriptures than we have ever gone before with this one part academic and one part spiritual work Regardless of where you are on the Christian journey this book is bound to have something fresh for you Underground Church Brian Sanders,2018-03-06 What If the Church Truly Empowered People to Engage in God s Mission Something extraordinary has been happening in Tampa Florida A new expression of the church has been quietly growing It s something of an experiment but over the last ten years the church has been validating its ideas with sustained and growing results At The Underground being the church is not focused around a weekly gathering or church programs It s about empowering individuals to respond to God s call to ministry and mission especially to the poor and disadvantaged in our midst While many churches talk about discerning calling and engaging in mission very few are

structured to make this their ministry focus Underground Church is a new vision for the church rooted in its biblical mission to share the love of God and serve the poor Sanders explores how to make structural changes how to think about leadership how to fund ministries and how to truly engage people in God's mission Filled with creative insights he explains what it means to center the mission of the church around the callings of individuals to outward ministry whether that involves leading Bible studies in the workplace feeding the homeless or working to free women and children from sex trafficking This book will both tell the inspiring story of a church that is rethinking what church looks like while also outlining and uncovering the principles that transfer for every church and Christian community that hopes for more It's the true story of a 10 year experiment that unpacks the possibilities of a church structured and streamlined for mission X

A Taste of Jesus Jamin Bradley, 2017-07-26 A Taste of Jesus is an in depth look at the characteristics that are meant to make up the Christian's life love joy peace patience kindness goodness faithfulness gentleness and self control Bradley explains just how radical and counter cultural these fruits are when they are grown in fullness These are the characteristics of the upside down backwards Kingdom of Heaven and when we live like we're residents there we begin to give people a real taste of Jesus who is living inside of us via the Holy Spirit This is by no means meant to be an easy book to absorb for the fruit of the Spirit constantly butts heads with our flesh but if you feel uncomfortable maybe that's okay Embrace it and see what God does Jamin Bradley is ordained in the Free Methodist Church and is the lead pastor of 1208 GREENWOOD in downtown Jackson MI He and his wife Jodi have two energetic kids named Beckett and Jericho who love to keep them on their toes Outside of pastoring and writing Jamin loves video games board games grilling entertaining guests and writing recording and playing music If you're looking for the typical easy to read feel good Christian book this is not the one A Taste of Jesus discusses the Fruits of the Spirit through a comprehensive theological relevant thorough and experiential understanding Bradley reminds us and challenges us to know and believe that God's love is unconditional Jesus example is an attainable lifestyle the Holy Spirit is moving and operating in His entirety Scripture is relevant and authoritative and the world although influential should never be the final word I've known Pastor Jamin for a while and what I've read in this book is what I have personally witnessed in his day to day discipline and ministry As you pick up this book have your Bible close by and a friend with whom to read and discuss Pastor Steven Hlatky

Our Life Our Way William L. Rush, 2019-10-29 Our Life Our Way A Memoir of Active Faith Profound Love and Courageous Disability Rights explores an extraordinary love story grown out of engagement with both disability rights advocacy and Christian faith communities This important memoir contains thoughtful often entertaining and sometimes heart wrenching anecdotes of a couple's journey to create their profoundly intimate relationship and Christian marriage in a world not yet ready for them William Rush and Christine Robinson's timely meeting when the United States was close to granting civil rights to all Americans with disabilities sets the stages for their intensely human and difficult journey of breaking down many societal and systemic barriers to full participation in the larger society How will the couple

deal with the local KKK grand dragon who is threatening William an outspoken person with a significant disability How will they respond to posturing state politicians using persons with disabilities as bargaining chips with potentially dire consequences How will they react to well meaning but not always well informed government officials pushing quick fixes Against such opposition can they create their own life supported by their local disability rights and Christian faith communities Girded by a local Christian congregation s willingness to engage with this nontraditional couple their faith is tested and grows stronger through much adversity Faith filled acts of mercy and grace and active and meaningful participation provide restoration on their arduous journey Deepening their relationship with God results in a desire for a Christian marriage Through a series of vignettes several deeply human themes are explored developing enduring relationships standing up for one s rights and advocating for one s needs and what it means to growing deeply in love with a faithful God while tribulations abound Through sheer grit they model for each of us how to create our own lives our own way
