Your Church Can Thrive Making The Connections That Build Healthy Congregations:

Your Church Can Thrive Harold Percy, 2003 In this brief practical book Harold Percy helps congregations answer critical questions about their mission and ministry Percy lays out the four main groups of people that represent the congregation s best opportunity to lead people to become committed disciples of Jesus Christ He offers solid easy to follow advice on how churches can understand the needs of these groups and reach out to them Good News Church John P Bowen, Michael P Knowles, 2018-05-28 In more than forty years of ministry Harold Percy has sought to waken a slumbering church by reminding it of its true calling to imaginative evangelism faithful discipleship and innovative leadership As a priest in the Anglican Diocese of Toronto and as founding Director of the Wycliffe College Institute of Evangelism Harold has challenged and encouraged leaders in a range of denominations across Canada through articles and books conferences and workshops This books engages in lively dialogue with Harold s many contributions to the life of the church today with chapters on leadership discipleship spirituality congregational ministry and missional outreach from eighteen pastoral practitioners all of whom continue to expand on his unique legacy in the service of Christ *Turnaround and Beyond* Ron Crandall, 2010-09-01 Since its publication in 1995 Ron Crandall s Turnaround Strategies for the Small Church has become required reading for anyone striving to revitalize the ministry of a small membership congregation That book was built on extensive interviews and studies conducted in dozens of small membership churches across several denominations that had experienced significant turnaround In a new study Crandall has now returned to those congregations to see what it takes to make the turnaround work over a period of years Learning much from both the churches who maintained significant growth in numbers and ministry and those that failed to do so he offers even more helpful insight to any congregational leader seeking to take a small membership church into a new phase of witness and mission **Respecting Congregations** Clyde Ervine, 2025-05-22 Across North America congregations and their leaders are experiencing unprecedented anxiety Despite the many organizational and growth strategies offered to congregational leaders over the last five decades few congregations are growing and most are coping with numerical decline With fewer people attending worship and fewer students offering themselves for ordination at least in mainline denominations many Christians worry that the church across the continent is in the process of dying While Ervine s book may not offer swift solutions it does offer hope Fearful congregations and their leaders are invited to set the search for quick fix solutions aside and instead take the time to discover and then respect the identity purpose and ministry priorities that the New Testament provides to congregations This book is written in the conviction that clarity about their in Christ identity their purpose in God s ongoing mission and what is essential to their ministry will give congregations new confidence to offer Christian witness rooted in biblical teaching while respecting twenty first century cultural realities Canadian Books in Print.
