The Missed Mission of The Great Commission A First Century Discipleship Paradigm for the 21st Century George Eberly, 2016-12-15 The Missed Mission of the Great Commission is discipleship or as Jesus puts it teaching them to observe all that I have commanded you Matthew 28 20 Thousands upon thousands of people have come to a personal relationship with Jesus Christ over the last four decades Yet during the same period of time the influence of Christianity on the American society has greatly diminished There have been many converts but far fewer have become disciples whose lives testify the presence of Jesus As Pastor Eberly shares about his years of ministry he calls the church back to a New Testament paradigm of discipleship He focuses on biblical principles rather than programs because one size does not fit all His book also points to practical ways in which these principles can be applied in whatever situation

All Politics Is Religious Rabbi Dennis S. Ross, 2012-03-01 Faith grows when we uphold its vision for a better world and speak of it in the public square while keeping church and state separate Dealing with a splintered media with its new opportunities and challenges requires being able to mix the facts with the feelings in appropriate measures for the audience you are trying to reach Reading this book will not make you as glib as your favorite newscaster who is probably reading a teleprompter or as dashing or beautiful as a Hollywood celebrity but it will make you less fearful better trained and more likely to be used as a source again from the Foreword by Rev Barry W Lynn A practical and empowering resource It provides ideas and strategies for expressing a clear forceful and progressive religious point of view that is all too often overlooked and under represented in public discourse It identifies the religious themes in today s great debates gay rights the needs of children and families church state separation and reproductive rights including access to sex education contraception and abortion care and presents new language and methods for effective communication with the media policy makers and community It steers away from the polemics and jargon of politics left right liberal conservative socialist and instead relies on factual historical examples current events and personal stories to illustrate the best ways to communicate the positive role faith can play in personal and public life by reinforcing the separation of church and state
