Dear Parents and Guardians,

Welcome to the Elementary Progress Report Card for your child. The purpose of this report card is to communicate the progress your child has been making since the beginning of the school year. The progress report also indicates how well your child is demonstrating the various learning skills and work habits and identifies areas where you may be able to support your child in achieving success this year. This report is not an evaluation or a record of achievement levels. It reflects preliminary observations of your child's learning to date. It is our hope that this report will serve as a central part of rich discussions between home and school.

This report card informs you of the progress your child is making in each subject. Progress is described as follows:

- Progressing with **Difficulty**: The student is currently demonstrating **some learning** in relation to the curriculum expectations and **may not achieve** the learning goals of the term. The student is being supported in achieving the learning goals.
- Progressing **Well**: The student is currently demonstrating **sufficient learning** in relation to the curriculum expectations and **is likely to achieve** the learning goals of the term.
- Progressing **Very Well**: The student is currently demonstrating **significant learning** in relation to the curriculum expectations and **is expected to achieve** the learning goals of the term.

G	Strengths/Next Steps for Improvement Ryan has had a positive start in Grade 6. He is a pleasant and polite student, who comes to school eager to learn. Ryan has adjusted well to the classroom rules and routines and follows instructions without reminders. He usually begins his work promptly, and manages his time well to help him complete assigned tasks. When working independently, Ryan sometimes rushes through his work, and makes careless errors. He is encouraged to take his time to focus on the quality of his work, in order to make necessary revisions and work to his highest potential. Ryan demonstrates a positive and respectful attitude towards his teachers and peers. He is helpful to his classmates when they are in need, and usually offers to support his peers without being asked. He actively participates in group learning experiences and enjoys sharing ideas related to class discussions. During small-group work, he takes on different roles and completes his share of the work, in addition to helping and supporting his group members. Ryan sometimes needs reminders not to distract others around him and talking to his friends when he is done his assigned work. Keep up the hard work, Ryan!
