Yugoslav-American Economic Relations Since World War II John R. Lampe, Russell O. Prickett, Ljubiša S. Adamović, 1990
Yugoslav American Economic Relations Since World War II provides a comprehensive study of the economic relations between the United States and Yugoslavia over the past four decades The authors recount how Yugoslavia and the United States despite great differences in size wealth and ideology overcame early misunderstandings and confrontations to create a generally positive economic relationship based on mutual respect The Yugoslav experience demonstrated the authors maintain that existence outside the bloc was possible profitable and nonthreatening to the Soviet Union The authors describe American official and private support for Yugoslavia s decades long efforts at economic reform that included the first foreign investment legislation in 1967 and the first introduction of convertible currency in 1990 for any communist country Also examined are the origins of Yugoslavia s international debt crisis of the early 1980s and the American role in the highly complex multibillion dollar international effort that helped Yugoslavia surmount that crisis In the past U S support for the Yugoslav economy was proffered in part the authors claim to counter perceived threats from the Soviet Union and its allies This may have enabled Yugoslavia to avoid some of the hard but necessary economic policy choices hence future U S support the book concludes will likely be tied more closely to the economic and political soundness of Yugoslavia s own actions

Keeping Tito Afloat Lorraine M. Lees,2010-11-01 *Supermarket USA* Shane Hamilton,2018-09-18 This cultural history examines the global rise of American style supermarkets during the Cold War era and how they shaped the way we eat today Supermarkets were invented in the United States and from the 1940s on they made their way around the world often explicitly to carry American style economic culture with them This innovative history tells us how supermarkets were used as anticommunist weapons during the Cold War and how their proliferation has shaped our current food system The widespread appeal of supermarkets contributed to a arms race between the United States and the Soviet Union as the superpowers vied to show that their contrasting approaches to food production and distribution were best suited to an abundant future In the aftermath of the Cold War US food power was transformed into a global system of market power laying the groundwork for the emergence of our contemporary world in which transnational supermarkets operate as powerful institutions in a global food economy

Europe and the Collapse of Yugoslavia Branislav Radeljic,2016-05-11 In 1992 Yugoslavia finally succumbed to civil war collapsing under the pressure of its inherent ethnic tensions Existing accounts of Yugoslavia s dissolution however pay little regard to the troubled relationship between the Yugoslav Federation and the European Community EC prior to the crisis in the early 1990s and the instability this created Here Branislav Radeljic offers an empirical analysis of the EC s relations with Yugoslavia from the late sixties when Yugoslavia was under the presidency of Josip Broz Tito through to the collapse of the Yugoslav federation in 1992 after the rise of Slobodan Milosevic and the beginning of the Yugoslav Wars Radeljic explores the economic political and social elements of these discords and also places emphasis on the role of Slovenes Croats and other diasporas focusing on their capacity to affect policy making at a Europe wide level Radeljic argues convincingly that a lack of direction and inadequate political mechanisms within the EC enabled these non state actors to take centre stage and shows how EC paralysis precipitated a bloody conflict in the Balkan region
