An accessible and engaging single volume history of Serbia from the Early Middle Ages to the present day **European**

Civil War Films Eleftheria Rania Kosmidou, 2013 This book examines the ways in which late twentieth century European cinema deals with the neglected subject of civil war Exploring a range of films about the Spanish Irish former Yugoslavia and Greek civil wars this comparative and interdisciplinary study engages with contemporary debates in cultural memory and investigates the ways in which cinematic postmemory is problematic Many of the films present an idealized past that glosses over the reality of these civil wars at times producing a nostalgic discourse of loss and longing Other films engage with the past in a melancholic fashion These cinematic discourses articulate contemporary concerns especially the loss of ideology and a utopian political horizon in the aftermath of the collapse of the Soviet bloc in 1989 a date that marks a significant break in European history and an accompanying paradigm shift in European cultural memory Filmmakers examined include Trueba Cuerda Loach Jordan Kusturica Dragojevi and Angelopoulos **USSR: a Concise History** Basil Dmytryshyn, 1971

The Historiography of Yugoslavia, 1965-1976 Savez društava istoričara Jugoslavije, 1975 **Yugoslavism** Dejan Djokić, 2003 This book's main aim is to explore the history of the Yugoslav idea or Yugoslavism between the state's creation in 1918 and its dissolution in the early 1990s The key theme that emerges is that Yugoslavism was a fluid concept understood differently at different times by different Yugoslav nations leaders and social groups *The Former Yugoslavia's Diverse Peoples* Matjaž Klemenčič, Mitja Zagar, 2004 This authoritative exploration of the ethnic history of the former Yugoslavia

traces the roots of the conflicts that convulsed the region in the 1990s At the end of the 20th century interregional conflicts in the former Yugoslavia culminated with Slobodon Milo evic s campaign of ethnic cleansing which led to NATO intervention and ultimately revolution What ignited these conflicts What can we learn from them about introducing democracy in multiethnic regions What does the future hold for the region To answer these questions this timely volume examines the ethnic history of the former Yugoslavia From the settlement of the South Slavs in the 6th century to the present paying special attention to the post World War II era the crisis and democratization in the 1980s and the disintegration of the country in the early 1990s This comprehensive single volume traces the bloody history of the region through to the fragile alliances of its present day countries *A Concise History of Bosnia* Cathie Carmichael,2015-07-02 A Concise History of Bosnia integrates the political economic and cultural history of this fascinating beautiful but much misunderstood country Drawing on a wide range of primary and secondary literature this objective and engaging history covers developments in the region up to the present day and offers an accessible interpretation of an often contested and controversial history Importantly Cathie Carmichael looks at Bosnia over the long term moving away from a narrow focus on the 1990s to offer a historical rather than a nationalist perspective on events Integrated within the narrative account there is a particular focus on the themes of culture and religion and the effect of geography and regional changes in the landscape on Bosnian history Engaging and authoritative the book succinctly explores how Bosnia has changed over many centuries and focuses on the dynamic and creative aspects of Bosnia s past as well as the darker elements Western Civilization, a Concise History Marvin Perry,1981 **Brigham Young University Law Review** ,2003 *Canadian - American Slavic Studies* ,1976 A quarterly journal devoted to Russia and East Europe **The Yugoslav National Liberation Movement** "Free Yugoslavia," Association of Yugoslavs in Great Britain,1943 Central and South-Eastern Europe 2007 Europa Publications,2006 An in depth survey of the region presenting the latest economic and political developments It includes expert comment on issues of regional importance up to date statistics a directory of institutes and companies and political profiles The Rough Guide to Slovenia ,2007 *Yugoslav Civil Law: History, Family, Property* A.
