Carman, 2012-05-31 Yoga for Singing presents vocal students and professionals voice teachers and movement instructors many of whom include a significant amount of yoga in stage movement and dance courses required in conservatory vocal opera programs as well as in pre professional apprentice programs with a unique approach to technique and performance improvement that fits the increasing interest in and prevalence of yoga practices

Yoga Emmanuel Carrère, 2022-08-02 Named a Best Book of 2022 by The Guardian This is a book about yoga Or at least it was Emmanuel Carrère is a renowned writer After decades of emotional upheaval he has begun to live successfully he is healthy he works he loves He practices meditation striving to observe the world without evaluating it In this state of heightened awareness he sets out for a ten day silent retreat in the French heartland leaving his phone his books and his daily life behind But he's also gathering material for his next book which he thinks will be a pleasant useful introduction to yoga Four days later there's a tap on the window something has happened Forced to leave the retreat early he returns to a Paris in crisis Life is derailed His city is in turmoil His work in progress falters His marriage begins to unravel as does his entanglement with another woman He wavers between opposites between self destruction and self control sanity and madness elation and despair The story he has told about himself falls away And still he continues to live This is a book about one man's desire to get better and to be better It is laced with doubt animated by the dangerous interplay between what is fiction and what is real Loving humorous harrowing and profound Yoga hurls us towards the outer edges of consciousness where finally we can see things as they really are

Embodying Transnational Yoga Christopher Jain Miller, 2023-10-13 Embodying Transnational Yoga is a refreshingly original multi sited ethnography of transnational yoga that obliges us to look beyond postural practice as ana in modern yoga research The book introduces readers to three alternative understudied categories of transnational yoga practice which include food music and breathing Studying these categories of embodied practice using interdisciplinary methods reveals transformative engaged alchemies that have been extensively deployed by contemporary disseminators of yoga Readers will encounter how South Asian dietary regimens musical practices and breathing techniques have been adapted into contemporaneous worlds of yoga practice both within but also beyond the Indian Ocean rim The book brings the field of Modern Yoga Studies into productive dialogue with the fields of Indian Ocean Studies Embodiment Studies Food Studies Ethnomusicology and Pollution Studies It will also be a valuable resource for both scholarly work and for teaching in the fields of Religious Studies Anthropology and South Asian Religions [Yoga Journal](#), 2006-12 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty *LIFE*, 1945-03-26 LIFE Magazine is the treasured photographic magazine
