Voices Of The Saints A 365 Day Journey With Our Spiritual Companions:

A Year of the Saints Bert Ghezzi, 2009-09 Catholics around the world rely on the Catholic saints for guidance and inspiration so it is important that the saints and their stories be easy to find *Voices of the Saints* by Bert Ghezzi provides readers with many convenient ways to look up 365 Catholic saints chronologically alphabetically by feast day even by theme The saint's patronage is also listed when available as is the date of beatification or canonization While the reference possibilities are abundant the inspiring stories of these saints are still the primary focus of the book and each entry is written in such a way as to help us feel the companionship of the saint The voice of each saint comes through clearly in quotations drawn from their own writings the recollection of witnesses and the careful work of biographers **Voices of the Saints** Bert Ghezzi, 2024-12-09 What if a different Catholic saint spoke personally to you each morning That's what you will find in this rich daily devotional as author Bert Ghezzi introduces you to the lives of saints from two thousand years of Christian history Each entry includes an excerpt from the saint's own writing or another source so you can receive his or her wisdom counsel and encouragement for the day Readers will find 365 saints explored in chronological order from Mary the Mother of God to Carlo Acutis the first millennial to be canonized Conveniently the saints are also categorized by theme to help you find a holy intercessor for a particular situation in life You will also find a comprehensive calendar if you prefer to walk with these friends of God according to their feast days Discover new saints rekindle affection for familiar ones and experience the great treasure trove of holy men and women that the Church has cherished since its earliest centuries There is no better way to meet and befriend the saints [God's Word, Your World! 2010-2011](#) Kristine Neumayer Jenkins, 2010-07-08 *Saints at Heart* Bert Ghezzi, 2011-03 You're no saint is a familiar phrase and one that nearly all of us probably believe accurately reflects our own hearts and lives We assume that sanctity is reserved for an elite group of people who follow spiritual disciplines so difficult and impractical that no ordinary person could ever perform them But best selling author Bert Ghezzi believes every one of us can be holy and he shows us how in *Saints at Heart* By pointing out that all the saints even the apostles were sinners he helps us understand how holiness is not about being perfect but rather about making a heartfelt decision to fall in love with God and put God first Each of the 10 saints featured in this book illustrates a specific spiritual practice that can help us draw closer to God St Francis models lifelong conversion Dorothy Day prayer and the study of Scripture and Pope John Paul II evangelization Every chapter ends with a section titled Think Pray and Act which contains questions for reflection and application **The Catholic Parents' Survival Guide** Julianne Stanz, 2023-06-06 A USER FRIENDLY GUIDE TO SHARING THE FAITH WITH CHILDREN Raising a Catholic family is never easy especially when it comes to discussing our faith with our children Despite trying our best sometimes we all need help addressing issues of faith respectfully honestly and accurately Written by Julianne Stanz bestselling author catechist lay church leader and mother of three *The Catholic Parents Survival Guide* is a practical manual for talking with children about how to navigate life through

the lens of the Catholic faith Featuring an accessible question and answer format Julianne not only equips readers with tools to help explain Catholic beliefs ethics morality and faith practices but she also prepares us for how to deliver this information in a manner that will resonate with children She addresses such questions as Who is God What is the Holy Spirit What happens if you miss Mass What happens after we die Does God answer prayers What will we do in heaven Why do Catholics pray to Mary Why can't women become priests In addition each chapter includes key takeaways notes for reflection recommended resources and tips for putting these insights into practice The Catholic Parents Survival Guide provides reliable information about the Catholic faith and parent tested methods for sharing it with children Revelation, Mystical Phenomena and Divine Promises Deacon Albert Graham,2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God **Our Church Speaks** Ben Lansing,D. J. Marotta,2024-10-29 This vividly illustrated devotional offers fifty two profound images and reflections on great women and men of faith from Polycarp in the first century to the martyrs of Sudan in the twenty first These saints from every continent and century will spark your imagination helping you to be faithful in our own age **The Stigmata: Those Who Bore the Wounds of Christ** Deacon Albert E. Graham,2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from The Stigmata The Stigmata examines such other worldly phenomena one could liken it to a spiritual X files episode Christ's death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The Stigmata is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The Stigmata discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and The Stigmata discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries

from levitation and bi location to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they ve experienced is mystical and their complete impact on the world is known only to God *Blind Spot 2nd edition* Dorothy Ranaghan,2018-09-15 Blind Spot subtitled War and Christian Identity deals with the problem inherent in that phrase Considering these two concepts as running in parallel and for that very reason incapable of converging the author boldly asserts that Christians who are unaware of this incompatibility are either turning a blind eye to it or are suffering from a Blind Spot The author goes on to say that arguments for a just war though possibly relevant in the past do not apply since the deployment of weapons of mass destruction and that the role of Christ s followers based on His direct teaching is to work for justice and peace This she recognizes may at times seem an impossible task but concludes that with true commitment and the guidance of the Holy Spirit great changes may be wrought for the benefit of all The Hymn ,1997
