Black Women's Formal and Informal Ways of Leadership: Actualizing the Vision of a More Equitable Workplace Bowser, Audrey D.,Davis, Kimberley M.,Johnson-Leslie, Natalie A.,2023-08-29 Black women s marginalized experience has often superseded their impact at their respective workplaces Usually Black women s ways of knowing and leadership are composed of practices that do not fit perfectly in our heterogenous ideal of leadership It is crucial to share Black women s ways of knowing and understand how Black women navigate their roles Black Women s Formal and Informal Ways of Leadership discusses how Black women s pedagogies shape their navigation through life through formal and informal leadership roles It empowers the various voices of Black women and challenges the idea of who we look at as leaders Covering topics such as perception bias emotional intelligence and Black women stereotypes this premier reference source is a dynamic resource for business leaders and managers entrepreneurs human resource managers librarians faculty and administrators of education students of higher education government officials researchers and academicians

Women with 2020 Vision Jeanne Stevenson-Moessner,2020-10-06 Women haven t always had the right to vote From such diverse voices as John Stuart Mill and Cokie Roberts the absolute right of both women and men to vote has been affirmed And yet resistance to women s suffrage even by women themselves has a long and painful history In this exciting volume thirteen theologians and religious leaders in America look back at the historic victory in 1920 when women in the United States won the right to vote They then assess the current situation and speak into the future Women with 2020 Vision American Theologians on the Voice Vote and Vision of Women commemorates the 100th anniversary of women in the United States obtaining the right to vote a story that

must be told and retold and reflected upon in light of the current sociopolitical theological realities *Black American Women's Voices and Transgenerational Trauma* Valérie Croisille, 2021-11-18 This book concentrates on six neo slave narratives written by late 20th and early 21st century black American women Octavia Butler's *Kindred* Phyllis Alesia Perry's *Stigmata* and *A Sunday in June* Gayl Jones Corregidora Joan California Cooper's *Family and Athena Lark's Avenue of Palms* It explores the process of re-membering of the black female characters in these novels and shows how these authors manage to both write the transgenerational trauma of slavery and write through it enabling black American women's voices to be heard This analysis of famous classics as well as less known books demonstrates how black American women's traumatic memory of slavery is inscribed in a transgenerational black female body Conjuring up questions of narratology and intertextuality it highlights how working through takes the form of a narrativization of this traumatic memory by diverse means This book also reflects upon the links between the collective and personal psyches by laying emphasis on the ineluctable intertwining of national history and individual destiny *Africana* Anthony Appiah, Henry Louis Gates (Jr.), 2005 Ninety years after W E B Du Bois first articulated the need for the equivalent of a black Encyclopedia Britannica Kwame Anthony Appiah and Henry Louis Gates Jr realized his vision by publishing *Africana: The Encyclopedia of the African and African American Experience* in 1999 This new greatly expanded edition of the original work broadens the foundation provided by *Africana* Including more than one million new words *Africana* has been completely updated and revised New entries on African kingdoms have been added bibliographies now accompany most articles and the encyclopedia's coverage of the African diaspora in Latin America and the Caribbean has been expanded transforming the set into the most authoritative research and scholarly reference set on the African experience ever created More than 4 000 articles cover prominent individuals events trends places political movements art forms business and trade religion ethnic groups organizations and countries on both sides of the Atlantic African American history and culture in the present day United States receive a strong emphasis but African American history and culture throughout the rest of the Americas and their origins in Africa itself have an equally strong presence The articles that make up *Africana* cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest known hominids to Sean Diddy Combs With entries ranging from the African ethnic groups to members of the Congressional Black Caucus *Africana: Second Edition* conveys the history and scope of cultural expression of people of African descent with unprecedented depth *Black Women and International Law* Jeremy I. Levitt, 2015-04-30 From Compton to Cairo Bahia to Brixton black women have been disproportionately affected by poverty illiteracy unemployment discrimination and violence Despite being one of the largest and geographically dispersed groups in the world they are rarely referenced or considered as a subject of analysis in international law literature Thus it is vital that scholars refashion global discourse by re-conceptualizing international law and relations from their unique experiences and perspectives This collection covers a broad range of topics and issues that examine the complex interactions as subjects and objects between

black women and international law The book critically explores the manifold relationship between them with a view toward highlighting the historic and contemporary ways in which they have influenced and been influenced by transnational law doctrine norms jurisprudence public policy public discourse and global governance It purports to unearth old law and fashion new paradigms born out of the experiences of black women
