Voices From The Luftwaffe Hitlers War Machine:

Voices from the Luftwaffe Bob Carruthers, 2013-01-07 This WWII oral history tells the story of the Luftwaffe through the eyes of those who served in combat illustrated with wartime propaganda Drawing on extensive interviews with Luftwaffe Emmy Award winning historian Bob Carruthers traces its rise from the ashes of the Great War to its fearsome height and ultimate downfall Here are the personal memories and perspectives of young volunteers seeking adventure who would soon face the grim realities of their service Here too is the propaganda machine that glorified the Nazi cause and perpetuated the charade that this was a civilian undertaking With vivid detail and revealing candor readers experience how the stunning successes of the Blitzkrieg era are quickly overshadowed by the grim experiences of the Battle of Britain and the life or death fight for the skies over Germany The book is illustrated throughout with extensive selections from Der Adler the wartime Luftwaffe propaganda magazine

The Death of Hitler's War Machine Samuel W. Mitcham, 2021-02-02 It was the endgame for Hitler's Reich In the winter of 1944-45 Germany staked everything on its surprise campaign in the Ardennes the Battle of the Bulge But when American and Allied forces recovered from their initial shock the German forces were left fighting for their very survival especially on the Eastern Front where the Soviet army was intent on matching or even surpassing Nazi atrocities At the mercy of the Fuehrer who refused to acknowledge reality and forbade German retreats the Wehrmacht was slowly annihilated in horrific battles that have rarely been adequately covered in histories of the Second World War especially the brutal Soviet siege of Budapest which became known as the Stalingrad of the Waffen SS Capping a career that has produced more than forty books Dr Samuel W Mitcham now tells the extraordinary tale of how Hitler's once dreaded war machine came to a cataclysmic end from the Battle of the Bulge in December 1944 to the German surrender in May 1945 Making use of German wartime papers and memoirs some rarely seen in English language sources Mitcham's sweeping narrative deserves a place on the shelf of every student of World War II

Servants of Evil: Voices from Hitler's Army, History is always written by the victors this is the other side of the coin This is the front line perspective on World War II as seen through the eyes of the losing side the men who fought for Hitler These are the recollections of the men of the Kriegsmarine the Luftwaffe and the Heer Altogether they formed the Wehrmacht which in 1940 was the most efficient fighting force the world had ever seen By 1942 the tide had begun to turn and the men of the once mighty Wehrmacht fought in vain at Stalingrad El Alamein Monte Cassino Caen and Berlin These are the U boat men the Panzer crews and the air aces This is military history at its best and most enlightening as told from primary sources Written by Emmy award winning author Bob Carruthers this unique publication documents the primary accounts of many of those who fought in Hitler's army

Luftwaffe Combat Reports Bob Carruthers, 2012-03 My Luftwaffe is invincible And so now we turn to England How long will this one last two three weeks Hermann Goering June 1940 These detailed accounts of Luftwaffe combat operations are taken from the extensive series of interviews conducted with higher echelons of the German Fighter Force by the USAAF

very shortly after the end of the Second World War The new generation of German fighters such as the Me 262 was at the forefront of the agenda and the USAAF were particularly keen to learn as much as they could about these machines and their successes and failures These fascinating insights cover the experience of the Luftwaffe during the whole war and are drawn from the interviews conducted by those who managed to excel despite all that was thrown at them Heinz Bar an ace with 240 victories to his credit Walter Dahl an anti bomber specialist Hitsch Hitschhold who undertook many high risk operations with his Stukas and FW 190 s and Adolf Galland last commander of the Luftwaffe and author of the classic memoir *The First and the Last* The frustrations which the pilots of the Luftwaffe encountered in their own aircraft is well voiced within these pages as is the tenuous relationship between the fighter and bomber wings of the Luftwaffe Political interference the bane of the Wehrmacht also raised its head within the Luftwaffe and the consequences of intermeddling by Hitler and others in the Nazi machine are expressed in the interviews These absorbing primary source accounts of aerial combat at the tactical operational and strategic level provide a unique window on the Luftwaffe at war

Hitler's Irish Voices David O'Donoghue,1998 Tells for the first time the history of German Radio s wartime Irish service from 1939 1945 As well as describing in details the radio station s on air operations from Nazi Germany it also provides in depth profiles of those involved and the service and what became of them after the war It reveals details long forgotten in both Ireland and Germany for example the involvement a permanent member of the Irish civil Service who ran the service whilst on leave of absence from the National Museum of Dublin

Voices of World War II Priscilla Roberts,2012-08-22 Drawing together a wide variety of primary source documents from across the United States Europe and Asia this book illuminates the events and experiences of World War II the most devastating war in human history World War II was the most destructive and disruptive war ever a global conflict that in one way or another affected the lives of people across the planet *Voices of World War II Contemporary Accounts of Daily Life* coalesces a wide variety of primary source documents drawn from across the United States Europe and Asia Supplemented by interpretive material that enables readers to analyze them assess their impact and significance and place them in context to comparable situations today the documents provide rare insights into World War II Expert commentaries and additional information on these texts enable a greater understanding of the background to these documents providing valuable training in learning to interpret assess and evaluate historical sources Intended primarily for upper level high school and undergraduate level history students general readers will also appreciate the variegated array of primary material from World War II which depicts numerous aspects of the conflict often in extremely personal terms

The German War Machine in World War II David T. Zabecki,2019-12-02 This invaluable resource offers students a comprehensive overview of the German war machine that overran much of Europe during World War II with close to 300 entries on a variety of topics and a number of key primary source documents This book provides everything the reader needs to know about the German war machine that developed into the potent armed force under Adolf Hitler This expansive encyclopedia covers the

period of the German Third Reich from January 1933 to the end of World War II in Europe in May 1945 Dozens of entries on key battles and military campaigns military and political leaders military and intelligence organizations and social and political topics that shaped German military conduct during World War II are followed by an illuminating epilogue that outlines why Germany lost World War II A documents section includes more than a dozen fascinating primary sources on such significant events as the Tripartite Pact among Germany Italy and Japan the Battle of Stalingrad the Normandy Invasion the Ardennes Offensive and Germany's surrender In addition six appendices provide detailed information on a variety of topics such as German aces military commanders and military medals and decorations The book ends with a chronology and a bibliography of print resources

Forgotten Voices of the Blitz and the Battle For Britain Joshua Levine,2010-09-30 Drawing material from the Imperial War Museum's extensive aural archive Joshua Levine brings together voices from both sides of the Blitz and the Battle of Britain to give us a unique complete and compelling picture of this turbulent time In June 1940 British citizens prepared for an imminent German onslaught Hitler's troops had overrun Holland Belgium and France in quick succession and the British people anticipated an invasion would soon be upon them From July to October they watched the Battle of Britain play out in the skies above them aware that the result would decide their fate Over the next nine months the Blitz killed more than 43 000 civilians For a year the citizens of Britain were effectively front line soldiers in a battle which united the country against a hated enemy We hear from the soldiers airmen fire fighters air raid wardens and civilians people in the air and on the ground on both sides of the battle giving us a thrilling account of Britain under siege With first hand testimonies from those involved in Dunkirk and the Battle of Britain Black Saturday on 7th September 1940 when the Luftwaffe began the Blitz to its climax on the 10th May 1941 this is the definitive oral history of a period when Britain came closer to being overwhelmed by the enemy than at any other time in modern history
