Sexual Jihad , Christine Sixta Rinehart, 2019-06-03 Female terrorists are a rare phenomenon Less than ten terrorist organizations throughout the world have women members These

terrorist groups are either Marxist atheist or Jihadist in their ideologies Sexual Jihad The Role of Islam in Female Terrorism ascertains What is the role of Islam in female terrorism It explores the roles of women in eight jihadist case studies including Al Aqsa Martyrs Brigade Boko Haram the Chechen Separatists HAMAS Hezbollah ISIS the Egyptian Muslim Brotherhood and Al Qaeda Primary sources and secondary sources are used including research conducted on Palestinian women in Israeli prisons who have been convicted of terrorism It is argued that there are three roles for women in Jihadist terrorism the disposable the domestic and the secretary The theory posited in this book is that the roles of women in terrorist groups are similar to their cultural religious roles in society

The Muslim Brotherhood in Syria Dara Conduit, 2019-08 A look at the history of the Muslim Brotherhood in Syria examining why the group failed to capitalise on its political advantage during the Syrian uprising and civil war

Totalitarianism Phillip W. Gray, 2023-06-20 Totalitarianism The Basics is an easy to read introduction into the main concepts ideologies and regimes associated with totalitarianism Starting with an overview of how scholars have attempted to define totalitarianism Phillip W Gray begins with an examination of the various types of terms used helping the reader think about how these terms do and do not apply to different ideologies and governments Easily accessible language and the use of numerous examples aid readers in seeing the connections between certain types of ideologies and some forms of organization movements in their relation to historically well known totalitarian regimes Gray concludes with the tools necessary to think through how to distinguish between an actual or potential totalitarian system and regimes that while oppressive or authoritarian would not be totalitarian in nature A rich bibliography containing additional readings bookend the text Totalitarianism The Basics offers an essential introduction for students from all backgrounds seeking to understand totalitarianism and for general readers with an interest in political ideologies and extremism For those knowledgeable in this field it adds conceptual relevance and a variety of ways of thinking about the term

Contemporary Debates on Terrorism Richard Jackson, Daniela Pisoiu, 2018-09-03 Contemporary Debates on Terrorism is an innovative textbook addressing a number of key issues in terrorism studies from both traditional and critical perspectives This second edition has been revised and updated to cover contemporary issues such as the rise of ISIL and cyberterrorism In recent years the terrorism studies field has grown in quantity and quality with a growing number of scholars rooted in various professional disciplines beginning to debate the complex dynamics underlying this category of violence Within the broader field there are a number of identifiable controversies and questions which divide scholarly opinion and generate opposing arguments These relate to theoretical issues such as the definition of terrorism and state terrorism substantive issues like the threat posed by al Qaeda ISIL and the utility of different responses to terrorism different pathways leading people to engage in terrorist tactics and ethical issues such as the use of drones This new edition brings together in one place many of the field's leading scholars to debate the key issues relating to a set of 16 important controversies and questions The format of the volume involves a leading scholar taking a particular position on the controversy followed by an opposing or alternative

viewpoint written by another scholar In addition to the pedagogic value of allowing students to read opposing arguments in one place the volume will also be important for providing an overview of the state of the field and its key lines of debate This book will be essential reading for students of terrorism studies and political violence critical terrorism studies security studies and IR in general *Ideology and the Microfoundations of Conflict* Veronika Muller, Thomas Gries, 2024 This book combines well known theoretical elements of various disciplines to form a broad picture of the role of ideologies in conflicts in particular the supply and demand side of the ideological market namely why individuals choose particular ideologies and how radical groups and organizations use them to address individuals specific needs for the purpose of recruitment This allows better understanding of the socio psychological dynamics of social conflicts why adopting particular ideologies is reasonable given certain socio economic conditions why individuals stick to destructive ideologies and why they embrace major personal risks to join radical groups and advance the goals of these groups **Drones and Targeted Killing in the Middle East and Africa**, Christine Sixta Rinehart, 2016-12-06 The United States has repeatedly used drones to kill terrorists in Afghanistan Iraq Libya Pakistan Somalia Syria and Yemen in an effort to decrease terrorism and the vitality of terrorist groups Targeted killing through the use of drones has become a foreign policy weapon to keep the United States safe from further terrorist attacks However it is suspected that these killings has actually led to an increase in terrorist group recruitment terrorist attacks and empathy for the terrorist group from the local population in addition to several other unwanted repercussions The two part research question this book attempts to answer is What is the effect of drone targeted killing on Afghanistan Iraq Libya Pakistan Somalia Syria and Yemen And is it a successful method in the War on Terror

Political, Social and Religious Studies of the Balkans Raphael Israeli and Ana Dimitrovska, 2021-05-24 This volume explores the roots and centennial development of radical Islam in the Balkans since the rise of early Muslim fundamentalists in the Muslim world in the early 20th century It also follows current militant Muslim movements which have grown in the world and were the direct trigger of the Bosnia war 1992 5 The book also clarifies the parallels between the predominant events in the world of Islam during the past century specific developments in Balkan Islam in general and of Bosnia in particular Political, Social and Religious Studies of the Balkans General Editor: Raphael Israeli, Jerusalem, Israel, 2021 Since the end of the Bosnia War in 1995 a tradition was embraced by the West of vilifying the Serbs as the villains and the Muslims as their victims This necessitated the military intervention of the U S and NATO on the Muslim side which caused an untold travesty of justice to the Serbs For indeed there was enough blame to go around to condemn all parties in that war including Serbs Croats and Muslims of committing massacres and huge abuses of the other parties To single out the Serbs as the bad guys simply distorts the facts This collective volume which is the product of a Commission of Inquiry worked 18 months on this project redressing the balance based on a meticulous and well documented report about the process of this inquiry step by step
