Witchcraft Today 60 Years On:

Witchcraft Today - 60 Years On Trevor Greenfield, 2014-06-27 In the sixty years following the publication of Gerald Gardner's *Witchcraft Today* new paths have appeared and older ones emerged out of the shadow of repression and illegality to express with a new and more confident voice their beliefs and practice and share with a steadily growing audience their knowledge their certainties their questions and their vision This book is a celebration of some of the many paths that Witchcraft Wicca has taken and of the journeys that people have embarked upon *Pagan Portals - What is Modern Witchcraft?* Trevor Greenfield, 2019-03-29 It has been observed that the traditions philosophies and beliefs that enjoy historical longevity are not those that remain static and unchanging but rather those that evolve and adapt to meet the needs of different or changing societies And that truth of course can be extended to religions and spiritualities that by necessity must remain relevant to peoples lives or become intellectual museum pieces With topics ranging from CyberWitches to Activism from Web Weaving to Urban Witchcraft from the Arts to Kitchen and Solitary Witchcraft and more What is Modern Witchcraft considers contemporary developments in the ancient craft and discusses a number of questions and issues that are frequently raised today What is Modern Witchcraft is edited by Trevor Greenfield and features essays from Morgan Daimler Annette George Irisanya Moon Rebecca Beattie Philipp J Kessler Amie Ravenson Rachel Patterson M lusine Draco Dorothy Abrams Arietta Bryant and Mabh Savage *Teaching Witchcraft* Miles Batty, 2023-03-08 A Lost Underground Classic for Seekers and Instructors of the Craft Teaching Witchcraft is written for today's practitioners both in coven groups and solitary study Featuring more than thirty five lessons that reflect current cultural perspectives and practices in the Wiccan community this resource includes contemporary lesson guides and exam questions as well as an emphasis on inclusivity Miles Batty presents an extensive variety of topics including spellcasting ritual construction and procedures the Wheel of the Year the principles of Wiccan belief and the four cornerstones of magick You'll start with the fundamentals and progress through the Craft's many facets from its history and tools to divination and etiquette This step by step guide also covers the faces of the goddess sexuality in Witchcraft correspondences and magickal ethics With lessons and study questions for every level of student this is the essential resource for learning and teaching Witchcraft **A Little Book of Wicca: A Guide for the Southern Hemisphere** Frances Billingham, 2020-02-14 Wicca modern day witchcraft is said to be the fastest growing spiritual practice in the Western world As an earth centric belief system Wicca has much to offer the world through its focus on balance and harmony as well as the recognition of magical power that is inherent in the universe as well as within ourselves A Little Book of Wicca is designed to offer a brief introduction into the practices of Wicca what Wiccans believe and what it actually means to be a Wiccan This book sheds some insight into the philosophies and ethics contained within this earth centric spiritual practice Having been written from a Southern Hemispheric perspective A Little Book of Wicca also offers a much needed starting point for seekers or those of a curious mind living south of the equator

The Witch's Book of Simples Melusine Draco, 2022-03-25 Keep it Simple A Simple is a philtre derived from a single herb and was an important element among the natural resources of the parish pump witch wise women and cunning folk Simples are common kitchen stuff that have been handed down through generations of country people in the form of family cures for everyday ailments Or as William Fernie wrote in his *Herbal Simples* 1897 The art of Simpling is as old with us as our British hills It aims at curing common ailments with simple remedies culled from the soil or got from home resources near at hand These were no fancy recipes with magical formulae and often given as a tisane the woman of the household was able to use the remedies to treat common ailments suffered by her family And this elementary form of domestic plant medicine can be as simple as a cup of chamomile tea made from flowers picked fresh from our own garden to aid sleep This was the most elementary way to use medicinal plants since no fancy recipes or scientific acumen was needed But this element of traditional witchcraft has long been in the shadows

Dancing the Sacred Wheel Frances Billingham, 2019-03-25 There are eight seasonal festivals referred to as sabbats that make up the Wheel of the Year Dancing the Sacred Wheel draws on the author's own personal experience of following a traditional Pagan spiritual path and creating ritual over 20 years in southern Australia Combining traditional Pagan lore with history in order to develop a relationship with her local environment the author also offers invaluable pointers as to how to incorporate the localised elements into something that also provides a traditional feel Dancing the Sacred Wheel not only provides an in depth look the folklore and myth associated with each sabbat but also discusses ways of creating specific rituals and observances that acknowledge each seasonal gateway when the local environment is reflecting something completely different Dancing the Sacred Wheel challenges the reader regardless of which hemisphere they reside to draw inspiration from their environment and to create their own unique Wheel of the Year
