IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel.

It has been assumed that basic service procedures inherent to the industry, and more specifically YAMAHA products, are already known and understood by the user, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the appointed service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or recognition of any applicable technical capabilities, or establish a principle-agent relationship of any kind.

The data provided is believed to be accurate and applicable to the product indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to report. Should any discrepancy appear in data, please contact the distributor's Service Division.

WARNING: Static discharge can destroy expensive components. Discharge any static electricity prior to any work performed by grounding yourself to the ground plane in the unit (heavy gauge black wire connect to GND trace).

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Back up all work before you apply power to the unit.
