Tolstoy's Major Fiction Edward Wasiolek,1978 Edward Wasiolek after much valuable work on Dostoevsky has now written one of the best books on Tolstoy in recent decades This may be in part because of his preoccupation with Tolstoy s most challenging contemporary and the resulting sense of their unlikeness in a common pursuit But there are other unspeculative reasons Few studies of Tolstoy have been so carefully pondered and so firmly organized to convince and not so many show the flexibility and variety of its approach Wasiolek proposes an essentially simple and consistent reading but he advances it with subtlety and discretion Henry Gifford Times Literary Supplement

Religion from Tolstoy to Camus Walter Kaufmann,2017-07-28 Walter Kaufmann devoted his life to exploring the religious implications of literary and philosophical texts Deeply skeptical about the human and moral benets of modern secularism he also criticized the quest for certainty pursued through dogma Kaufmann saw a risk of loss of authenticity in what he described as unjustified retreats into the past This is a compilation of significant texts on religious thought that he selected and introduced

The Novels and Other Works of Lyof N. Tolstoi ...: A Reality and Belief of Indian Military Affairs K. K.

Singh, India does not admit easily to broad generalizations. It is an extraordinarily complex and diverse society, and Indian elites show little evidence of having thought coherently and systematically about national strategy, although this situation may now be changing. Despite India's cultural greatness and longevity as a civilization, Indian history is often dimly perceived and poorly recorded, given an oral tradition in imparting past events and the destruction of most records; much of this history is difficult to verify. Until the middle of the eighteenth century, Indians knew little of their national history and seemed uninterested in it. Four principal factors help to explain Indian actions and views about power and security: Indian geography, the discovery of Indian history by Indian elites over the past 150 years, Indian cultural and social structures and belief systems, and the British rule. Geography has imparted a view of the Indian subcontinent as a single strategic entity with various topographical features contributing to an insular perspective and a tradition of localism and particularism. India's unique culture reinforced this unity and imparted first a tendency toward diversity and accommodation to existing realities and second a highly developed capacity to absorb dissimilar concepts and theories. This tolerance was strengthened by the caste system, which also helped maintain an extraordinarily durable system and ethic for social relations.

Tolstoi: The Teacher Charles-Baudouin, 2014-09-04. The author states here that Tolstoy was a great educator and his views on education were ingenious and profound. Despite being a great artist, Tolstoy also had a pedagogic method and drew abundantly on the stores of science. The book looks at articles which Tolstoy wrote on education and childhood, comparing him frequently to Rousseau and also outlines the influences of his travels, which informed his knowledge of contemporary schooling. The conclusion considers the development of Tolstoy's thought on teaching alongside the state of education at the time the book was first published in 1923. This will be of interest for the educational historian as well as those interested in Tolstoy himself.

Collected Shorter Fiction of Leo Tolstoy, Volume I Leo Tolstoy, 2001-08-07. Written over a period of more than half a century, Leo Tolstoy's stories reflect every aspect of his art and personality. They cover his experiences as a soldier in the Caucasus, his married life, his passionate interest in the peasantry, his cult of truth and simplicity, and his growing preoccupation with religion. The stories in Volume 1 of the *Collected Shorter Fiction* date from the period in which the young Tolstoy wrote *Anna Karenina* and *War and Peace*. Ranging from brief masterfully sketched military life such as *The Wood Felling* to novellas like *Family Happiness*, an uneasy imagining of the idyllic possibilities of marriage by the not yet married
