Victus Pepper McCallan Alexi Venice:

Ebola Vaccine Wars: Introducing Pepper McCallan Alexi Venice, 2015-08-19 David Arnout is the head of a pharmaceutical company named Futuraceutical. His raw ambition drives him on a personal quest to win the race for an Ebola vaccine, anticipating the sales revenue will make him a wealthy man. Does he appreciate the collision course he has created for his colleagues and a terrorist group in hot spots around the world? Will his scheme save lives or destroy them? Joseph Diji Owusu survived Ebola in his native Nigerian village but now seeks the truth about the vaccine he and his family received. Will he go to medical school in Austria or be swept up in a revenge mission with BodyTruth Worldwide, an anti Big Pharma group that has spun out of control? Pepper McCallan is a hardworking mom who doesn't understand why her family and employer Futuraceutical Company are under attack. Will she survive the attack? Will her marriage survive? Will she keep her job? Will she be able to help Brent Cahill, a roughhewn U.S. Counterterrorism Agent, solve the terror plot against Futuraceutical as they travel to remote, unfamiliar and often dangerous destinations. *Svea's Sins: A Pepper McCallan Novel* Alexi

Venice, 2015-08-23 Alexi Venice's second novel *Svea's Sins* is a thriller about a 2018 terrorist plot against the United States with nerve gas and drones perpetuated by a beautiful Swedish woman who partners with the Russian President Vadik Volkov. Venice amps up the action and sophistication in her second novel featuring the brilliant and broken Pepper McCallan, a consultant to the U.S. Counterterrorism Agency. Venice swiftly drives a complex plot that traverses the world using science and technology that are easily within reach, leveraging the absence of drone regulation. In *Svea's Sins*, Pepper McCallan doesn't expect to be needed so urgently by Brent Cahill while she and her husband Bill are island hopping in the Caribbean in the fall of 2018. But Brent discovers he needs Pepper's help to thwart a terrorist plot on America that incorporates nerve gas, drones, and sexual liaisons between world leaders. Venice stakes out her style by weaving romance into thriller terror plots. The reader gets to know Brent Cahill's character as he builds a relationship with the love of his life, Jackie Starr, who is a high-powered CrossFit trainer by taking her on a vacation to the island of St. Martin, furthering their counterterrorism success. Brent Cahill and Pepper McCallan unnerve the stunning Swedish Minister for Foreign Affairs, Svea Lovgren, by confronting her at a formal ball in Stockholm. Brent and Pepper consider Svea's twisted motives by analyzing her sexual rendezvous with Russian President Vadik Volkov. As Pepper is drawn deeper into clandestine travel, her husband Bill McCallan resumes his career as an orthopedic surgeon at Southview Hospital in Minneapolis. Bill unexpectedly finds himself at the center of a large-scale disaster at Southview Hospital that has Svea Lovgren's handprints on it. In this riveting second novel, Pepper continues to enhance her reputation in the Counterterrorism Agency with the President of the United States in a not-so-distant future that proves to be as sinister as it is sentimental. Alexi Venice hits her stride with hotter romance and bioterrorism plots in the third Pepper McCallan novel, *Victus* Part I of *Margaret River Winery*. It will be available in Winter 2015. *Victus* Alexi Venice, 2015-12-03 Counterterrorism Specialist Pepper McCallan and Agent Brent Cahill are called upon by President Cecil

Scott to investigate a terrorist attack by a group identifying itself as Victus Pepper and Brent fend off personal assassination attempts while investigating a pestilence of sharpshooter insects on California's grapevines causing panic among farmers. The first bioterrorism war on American soil has begun. President Scott receives a blackmail letter from Victus threatening to destroy more of America's natural resources unless he agrees to supply free food to famished nations. The President desperately needs Pepper and Brent to solve who is behind Victus before they strike again. Brent's brother Reed Cahill fires up a blazing hot romance with Blaire Starr, a young powerful financier in Minneapolis. Reed and Blaire attempt to keep their love affair a secret from family members in Minneapolis, but Reed needs to return to his winery in Australia. Can he convince Blaire to leave her lucrative high-powered job in Minneapolis to join him at Margaret River Winery? Meanwhile, a baby is born with swastika tattoos on his eyelids, just like his parents had inked on their own eyelids, inciting nationwide scrutiny and unrest as fringe groups rally and condemn. While the public is fascinated with the baby's tattoos, Brent and Pepper also are confronted with a troubling tattoo as they try to identify Victus. Victus is Part I of the two-part Margaret River Winery story. Part II takes place in Australia and will be released in early 2016.

Australia's Starr Alexi Venice, 2016-08-22 JerJer is anxious to dominate humanity and prove that his philosophy of natural order is superior. Educated at the finest universities, JerJer launches an insidious campaign for President of the United States. His agenda appeals to Americans' weaknesses as he leverages the animalistic lust, avarice, wrath, greed, and hubris of his constituency. In Western Australia, a girl is born into tumultuous circumstances at Margaret River Winery. Raised by her father and an aborigine caretaker, Starr strives to live a normal life riding her loyal appaloosa, tending to her vineyards, and tasting romance with a steadfast Australian man. As her supernatural talents intensify, however, messages from the aborigine Spirit Realm and God combine to animate constellations depicting the prophecy that was spoken to Starr's father on the night of her birth. Starr is swept up in the penultimate battle between good and evil, fighting a primordial adversary with meager resources, or so she believes. She struggles to come to terms with her destiny, wondering if she can save humanity for the love of higher powers, family, and her beloved Australia. In AUSTRALIA'S STARR, Alexi Venice paints picturesque landscapes and develops captivating characters who use inventive weaponry. Venice incorporates subtle symbolism that will resonate with readers lingering long after they finish the story. Venice's mystical world brilliantly intersects with politics, exploring the depravity of evil and the heights of human compassion and love. A story of hope and heroism, AUSTRALIA'S STARR promises to excite and thrill. Follow Alexi Venice at www.alexivenice.com or www.facebook.com/alexivenicenovels.
