Vientos De Cuaresma:

Vientos de Cuaresma Leonardo Padura, 2001 Conocido ya por los lectores españoles gracias a Mscaras Paisaje de Otoño y Pasado perfecto Andanzas 292 345 y 397 Leonardo Padura nos entrega ahora Vientos de Cuaresma la pieza que cierra el círculo de su tetralogía Las cuatro estaciones Protagonizada como las otras tres por el reflexivo y pesimista teniente Mario Conde para los entendidos el Conde Vientos de Cuaresma es a la vez un thriller desconcertante y una novela de amor En los infernales días de la primavera cubana en que llegan los vientos calientes del sur coincidiendo con la Cuaresma al teniente Mario Conde que acaba de conocer a Karina una mujer bella y deslumbrante aficionada al jazz y al saxo le encargan una delicada investigación Una joven profesora de química del mismo preuniversitario donde años atrás estudió el Conde ha aparecido asesinada en su apartamento en el que aparecen además restos de marihuana Así al investigar la vida de la profesora de impoluto expediente académico y político el Conde entra en un mundo en descomposición donde el arribismo el tráfico de influencias el consumo de drogas y el fraude revelan el lado oscuro de la sociedad cubana contemporánea Paralelamente el policía enamorado de la bella e inesperada mujer vive días de gloria sin imaginar el demoledor desenlace de esa historia de amor *Detective Fiction in Cuban Society and Culture* Stephen Wilkinson, 2006 This book examines Cuban society through a study of its detective fiction and more particularly contemporary Cuban society through the novels of the author and critic Leonardo Padura Fuentes The author traces the development of Cuban detective writing in the light of the work of twentieth century Western European literary critics and philosophers including Raymond Williams Antonio Gramsci Terry Eagleton Roland Barthes Jean Paul Sartre Michel Foucault Jean François Lyotard and Jean Baudrillard in order to gain a better understanding of the social and historical context in which this genre emerged The analysis includes discussion of the broader philosophical political and historical issues raised by the Cuban revolution The book concludes that the study of this popular genre in Cuba is of crucial importance to the scholar who wishes to reach as full an understanding of the social dynamics within that society as possible Pasado perfecto Leonardo Padura, 2016 Vientos de cuaresma En los infernales días de la primavera cubana en que llegan los vientos calientes del sur coincidiendo con la cuaresma al teniente Mario Conde que acaba de conocer a Karina una mujer bella y deslumbrante aficionada al jazz y al saxo le encargan una delicada investigación Una joven profesora de química del mismo preuniversitario donde años atrás estudió el Conde ha aparecido asesinada en su apartamento en el que aparecen además restos de marihuana Así al investigar la vida de la profesora de impoluto expediente académico y político el Conde entra en un mundo en descomposición donde el arribismo el tráfico de influencias el consumo de drogas y el fraude revelan el lado oscuro de la sociedad cubana contemporánea Cuba and the Tempest Eduardo González, 2006-12-08 In a unique analysis of Cuban literature inside and outside the country's borders Eduardo González looks closely at the work of three of the most important contemporary Cuban authors to write in the post 1959 diaspora Guillermo Cabrera Infante 1929 2005 who left Cuba for good in 1965 and established himself in London

Antonio Benítez Rojo 1931-2005 who settled in the United States and Leonardo Padura Fuentes b 1955 who still lives and writes in Cuba Through the positive experiences of exile and wandering that appear in their work these three writers exhibit what González calls Romantic authorship a deep connection to the Romantic spirit of irony and complex sublimity crafted in literature by Lord Byron Thomas De Quincey and Samuel Taylor Coleridge In González's view a writer becomes a belated Romantic by dint of exile adopted creatively with comic or tragic irony González weaves into his analysis related cinematic elements of myth folktale and the grotesque that appear in the work of filmmakers such as Alfred Hitchcock and Pedro Almodóvar Placing the three Cuban writers in conversation with artists and thinkers from British and American literature anthropology philosophy psychoanalysis and cinema González ultimately provides a space in which Cuba and its literature inside and outside its borders are deprovincialized

Cuba Ted A. Henken, 2007-10-03 This fascinating work provides an enlightening guided tour of the island of Cuba's historical political economic and sociocultural development from the pre-Columbian period to the present Cuba A Global Studies Handbook offers a revealing look at a nation that in its ongoing pursuit of freedom has been a colonial pawn a neocolonial paradise for corrupt politicians and dictators an alluring vacation destination a defiant Communist holdout and embarrassing thorn in the side of the powerful United States Drawing heavily on his own research and experiences on the island the author follows Cuba's political economic and sociocultural development from the pre-Columbian period to the present with an emphasis on the revolutionary period The book's reference section includes alphabetically organized entries on important people places and historical events as well as shorter sections on Cuban Spanish national traditions and holidays cuisines and important organizations Also featured is a chart tracing the development of Cuban popular music and a listener's guide to some of the best available recordings

Subverting Sex, Gender, and Genre in Cuban and Mexican Detective Fiction Ailsa Peate, 2024-09-25 The presence of bodies and sex in detective fiction has been a long term feature of this internationally popular genre Titillation is at the centre of narratives reliant upon discovery and revelation motives and criminals are slowly revealed along with sexualized and violated bodies from femmes fatales to the corpses of victims A satisfying gratifying genre for its readership the detective novel promises the disruption and subsequent restoration of order in societies tarnished by disillusionment which hope for a better future This book takes as its focus examples of detective fiction from Cuba and Mexico during or in the aftermath of huge social upheaval the Special Period and the War on Drugs analyzing representations of sexualities bodies and the genre itself Through an investigation of novels by Leonardo Padura and Amir Valle of Cuba and Belfrage and Rogelio Guedea of Mexico this work investigates increasingly fluid sexualities and bodies in challenging examples of metaphysical detective fiction a particularly anxious subgenre which challenges both the structures and limits of the detective novel and the reader's understanding of true and false and right and wrong representative of troubling periods of severe social disruption for Cuba and Mexico

Handbook on Cuban History, Literature, and the Arts Mauricio A. Font, Araceli Tinajero, 2016-03-02 First

Published in 2016 If scholarship on Cuban studies after the 1959 revolution focused on the historical and cultural aspects of the construction of a socialist order the post 1989 crisis of socialism in Central and Eastern Europe raised questions about the island's state as a socialist model The scholarly gaze gradually began to focus on possibilities for alternative transformations at various levels of social life rather than on the deepening of traditional twentieth century state socialism This volume explores the newly emergent themes and debates about Cuban society and history Cuban Palimpsests Jose Quiroga, 2005 Four decades ago the Cuban revolution captured the world's attention and imagination Its impact around the world was as much cultural as geopolitical Within Cuba the state developed a strictly defined national and collective memory that led directly from a colonial past to a utopian future but this narrative came to a halt in the early 1990s The collapse of Cuba's sponsor the Soviet Union and the end of the Cold War preceded the so called Special Period in Times of Peace a euphemistic phrase that masked the genuine anxiety shared by leaders and people about the nation's future In Cuban Palimpsests Jos Quiroga explores the sites both physical and imaginative where memory bears upon Cuba's collective history in ways that illuminate this extended moment of uncertainty Crossing geographical political and cultural borders Quiroga moves with ease between Cuba Miami and New York He traces generational shifts within the exile community contrasts Havana's cultural richness with its economic impoverishment follows the cloak and dagger narratives of revolutionary and counterrevolutionary spy fiction and film and documents the world's ongoing fascination with Cuban culture From the nostalgic photographs of Walker Evans to the iconic stature of Fidel Castro from the literary expressions of despair to the beat of Cuban musical rhythms from the haunting legacy of artist Ana Mendieta to the death of Celia Cruz and the reburial of Che Guevara Cuban Palimpsests memorializes the ruins of Cuba's past and offers a powerful meditation on its enigmatic place within the new world order Jos Quiroga is professor and department chair of Spanish and Portuguese at Emory University He is the author of *Understanding Octavio Paz* and *Tropics of Desire Interventions from Queer Latino America*
