Von Bismarck Hitler Ein R Ckblick:

Von Bismarck zu Hitler Sebastian Haffner, 1989 *Von Hitler zu Bismarck* Sebastian Haffner, 1987 **Bismarck's Shadow** Richard Frankel, 2004-12-01 History is a tale often told by ghosts and demi gods and our relationship to these figures often determines the shape of the narratives we weave about the past Bismarck s Shadow targets this idea as it is a book that unearths a fascinating phenomenon of German political culture the elevation of a dead political figure Otto von Bismarck to the level of a demi god and the effects of such deification on the course of German politics during the first half of the 20th century Already a central national symbol during his lifetime after his death Bismarck became the object of a political religion what Frankel regards as a Bismarck Cult This book examines how certain ritual practices and a particular historical understanding a Bismarckian gospel provided its followers meaning and direction Extending beyond the cultural as well Bismarck s Shadow also looks at how the cult of Bismarck translated into political practice In Frankel s estimation the logic of the Bismarckian political religion contributed to the right s progressive radicalization from the turn of the century to the triumph of the Nazis The image of the deceased figure of Bismarck serves as a tool to investigate the transformation of the German right from a traditional state supporting group to a populist radical nationalist movement like Nazism Timely and compelling Bismarck s Shadow raises long overdue questions about the political religion of National Socialism Germans perceptions about Bismarck and the relationship between Otto von Bismarck and Adolf Hitler **The Kaiser Vs. Bismarck** Otto Bismarck (Fürst von), 1920 *Otto Von Bismarck and Imperial Germany* Theodore S. Hamerow, 1994 **Bismarck and the Foundation of the German Empire** Sir James Wycliffe Headlam-Morley, 1900 *Bismarck and the Foundation of the German Empire* James Wycliffe Headlam, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Bismarck and the Foundation of the German Empire* James Wycliffe Headlam, 1909 **Bismarck and the German Empire** Erich Eyck, 1968 *Bismarck* E.
