What Do Zionists Believe:

What Do Zionists Believe? Colin Shindler, 2015-06-04 Zionism was a movement of national liberation. It sought to establish a permanent home for the Jewish people where they could attain political independence and instigate a national renaissance. Some Zionists were inspired by a vision of religious redemption and the onset of the messianic age. For others, it represented the construction of a perfect society. Others aspired to the more modest creation of a modern technological capitalist state. The Hebrew Republic, which came into being in May 1948, embellished all these possibilities. Today, 38 per cent of all Jews live in Israel. The tragedy of Zionism was that it arose during the same period of history as Arab nationalism and in the same land. Our perception of what it stood for and how it came about has been shaped and distorted by the conflict between Israelis and Palestinians. Colin Shindler explains the evolution of Zionism as a unique ideology and provides a clear and perceptive analysis of its ideas.

What Do Jews Believe? David Ariel, 1996-01-23 A lively exploration of Jewish ideas and beliefs. Anyone who seeks to know what Judaism is really all about will be in his debt. David Wolpe, author of *Why Be Jewish*. In this fresh and lucid study, Ariel presents the fundamentals of Jewish thought on the profound issues of God, human destiny, good and evil, Torah, and messianism, guiding the reader toward a definition of the beliefs that shape Jewish identity. This lively exploration of Jewish ideas and beliefs provides a rationale and stimulus for anyone seeking to understand or reconnect to the rich and diverse spiritual tradition of Judaism.
