Who Was There Story Nativity:

We Were There Eve Bunting, 2001-10-17 On a winter night long ago a baby boy was born in a stable with only the animals to witness his arrival But it wasn't just the cows and donkeys and soft little lambs who were present Smaller less loved creatures were there too the snake the scorpion the cockroach and others Lyrically written by Eve Bunting and luminously illustrated by Wendell Minor this beautiful book offers a unique and moving perspective on the Christmas story It reminds us that all God's creatures both great and small celebrated the arrival of the Christ child **Nativity: the Christmas Story,**

Which You Have Never Heard Before Richard R. Racy, 2007-11-02 Sometimes reading like a historical novel or a forensics detective story a melodrama or a scientific adventure Nativity takes the reader on a fast awesome ride of discovery into the real history and real people behind the birth of Christ Nativity is the ideal reference for pastors students and laymen combining scholarly depth and reliability in a popular writing style easily accessible to all with references for independent study New elements of meaning and relevance to the Nativity Scientific evidence virgin births occur as often as identical twins but Jesus was one of a kind The life and death drama behind Joseph and Mary rarely told The real events of Bethlehem and Nazareth Herod amazing genius whose architecture excelled Rome and kept his murdered wife in a jar of honey Was Jesus incarnated from the time of the Fall Is the Christmas tree a pagan idol or a biblical image of the Tree of Life While vigorously defending the traditional faith Richard Racy gives new insights and new theological perspectives guaranteed to inform and provoke while entertaining in a major new work on the birth of Jesus Christ A revealing and thought provoking new book that truly tells us the Christmas story which we have never heard before [Christmas, The Original Story](#)

Margaret Barker, 2011-09-22 In *Christmas the Original Story* Margaret Barker explores the nature of the Christmas stories and the nature and use of Old Testament prophecy Beginning with John's account it then goes on to include Luke and Matthew the apocryphal gospels and the traditions of the Coptic Church to throw light upon wise men and their gifts the character of Herod Matthew's use of prophecy the holy family in Egypt This book also discusses the stories we get from the Infancy Gospel of Jesus and the development of the Orthodox Christmas icon as well as the Christmas story and the Mary material in the Koran This is an accessible book based on scholarly work *Christmas on the Screen* John A.

Zukowski, 2021-12-01 Christmas movies are revealing windows into religion consumerism family and American pop culture and Zukowski offers a compelling highly readable guide to this long flourishing genre Exploring classics as well as flops he illuminates both the resilience and the limitations of the holiday's celebration on screen Leigh E Schmidt Washington University in St Louis author of *Consumer Rites The Buying and Selling of American Holidays* How the Grinch Stole Christmas weighs materialism against community The Polar Express tests the wonder of miracles in an age of cynicism And Die Hard yes Die Hard wrestles with the impact of broken relationships on holiday joy With *Christmas on the Screen* journalist John A Zukowski takes readers on an historic tour of Christmas films and changing American values to ask the

Cleon Skousen,2016-11-14 *A Jewish Christmas Story* Frank Straight,2010-01-15 In the first two chapters of his Gospel Matthew writes about the birth of the Messiah Did he intend for the narrative just to be used for childrens pagents and to provide ideas for lawn decorations Surely he had more serious purposes in mind but sadly this beginning part of his Gospel has been often trivialized down through the centuries What important information was he conveying What issues facing his readers did he confront Could Jesus of Nazareth a place thought to produce no good thing really be the Messiah Hadnt his birth actually been a scandal Why would wise men bring him gifts How many wise men were there anyway And that part about the star maybe it wasnt actually a star A Jewish Christmas Story is a study guide which brings new insights to a story with which many are familiar but one whose real meaning is seldom considered seriously **The Story of "'Twas the Night Before Christmas"** Gerard Del Re,Patricia Del Re,2022-12-21 The charming story behind one of the best loved poems in the English language was written as a gift by a father to his family Cleveland Daily Banner Book Review In 1822 when Wall Street was still adjacent to rolling farmland a devoted and deeply spiritual man named Clement Clarke Moore first shared his poem A Visit from St Nicholas with his family Moore s gift not only delighted his loved ones it went on to enchant millions of people everywhere and still does to this day

With this book about the life and times of the Moore family in nineteenth century New York and how the famous poem came into being readers can make this timeless gift of yuletide their own beloved tradition Beautifully designed with twenty drawings The Story of Twas the Night Before Christmas also features a facsimile of the poem in Moore s own handwriting Previously published under the title Twas the Night Before Christmas I Don't Believe That Either . . . However Tucker E. Dawson Jr.,2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God s immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith **Bible Society Record** ,1952 *Five Questions of Christmas* Rob Burkhart,2015-09-15 The Christmas story is well known We know the decorations the family parties the carols the manger scene even the familiar Scripture passages But have you ever considered the questions of Christmas Five questions spiral throughout the ancient stories surrounding Christ s birth These questions open the door to some of life s great mysteries By exploring questions asked by the Magi Elizabeth Mary Zechariah and the crowd witnessing the naming of John the Baptist readers explore their own curiosities about purpose favor trust justice doubt and promise How can we find truth and meaning Why is the world so unfair sometimes Why do people have to suffer How can we trust the unseen How can we design the future we desire Writing in a warm and affectionate tone author Rob Burkhart unwraps the mystery of the questions of Christmas revealing a different way to read the Christmas story that allows believers young and old to live its truths throughout the year **Twelve Classic Christmas Stories** Timothy Larsen,2024-09-03 A feast of great literature 12 Classic Christmas Stories all in one volume Celebrate this magical season with some of the greatest literary figures in history The wisdom and warmth of Christmas are wrapped in the stories of beloved and gifted authors such as Charles Dickens Louisa May Alcott O Henry G K Chesterton Willa Cather Conan Doyle Washington Irving George MacDonald Lucy Maud Montgomery Anthony Trollope and other classic storytellers Not only will you be immersed in the Christmas spirit but you will draw from the insight of historian Dr Timothy Larsen who introduces each tale sharing with readers the history background and inspiration behind the literature This collection invites us to contemplate and savor all that is good and true about God s redemptive story and our call to be Christ like The stories call us to generosity reconciliation and sacrifice They
