Anderson,2021-07-09 Why Believe provides accessible explanations of several core concerns of apologetics from arguments for the existence of God and the validity of Christ s resurrection to common questions about the practice of faith **Why Believe?** C. Stephen Evans,1996 **Why Believe** Bruce Tong,2017-02-13 In a glorifying moment with God this book was born As author Bruce Tong wrestled with a deep question about how many Christians live life with a huge wall of frustration and unwanted failure in front of them that leads to the wave of complacency that infects the Church God showed him that it comes down to the difference between believing and believing in Jesus There is a simple little verse in Johns Gospel The work of God is this to believe in the one he has sent John 6 29 NIV As if it were dancing on the paper this thought came to Bruce many Christians say that they believe in Jesus but live a life that would suggest that nothing has changed Its as if the shroud of Christianity is only reserved for Sundays and the rest of the week is about living for the world They say I believe in Jesus but I will carry on living my life the way I want Then there are the people who believe Jesus In other words their lives have been immersed in Jesus He is their everything and you can see it by the way they live what they say and how they act Bruce sat there stunned for a while Could it be that simple Is belief simply faith in action He needed to find out so he began to turn the pages of Johns Gospel and it was as if a large hand jumped out of every page slapped him on the face and pulled his head to the word believe saying Look at this Read that The journey began and ideas began to flow He began to view this wonderful Gospel with different eyes and through a revitalised open heart Each word that was written on paper not only transformed his understanding but also began to transform him He hopes that this journey will be as encouraging for you as it was for him **Why Believe In Jesus Christ Of Nazareth** Emmanuel Q -M Bruce-Adjei,2022-02-21 We are going to look at the names and attributes of Jesus Christ of Nazareth keeping in mind that Jesus Christ of Nazareth being the Son of God and being God has the same names and attributes of God

We will also use John's Gospel as the main scriptural text to look at the character and life of Jesus Christ on earth. John's Gospel differs in a number of ways from the Synoptic Gospels that is the Gospels of Matthew, Mark, and Luke which present similar narratives of the life and death of Jesus Christ of Nazareth. The time span covered in John's Gospel is quite different from the Synoptic Gospels and most of Jesus' ministry is centered in Judea, probably because He is said to be a descendant of King David. John's Gospel focuses predominantly on the deity and teachings of Jesus Christ of Nazareth with its main objective being to clarify and disambiguate His relationship with His Father and the mission He had been given on earth. The authorship of John, the Apostle of this Gospel, is perennially disputed but it is of no relevance to me. What is of significance to me is the text of the Scripture and how the deity and teachings of Jesus Christ of Nazareth can facilitate our understanding of the purpose of mankind in this life and thereby enhance our belief in Jesus Christ of Nazareth. We are therefore going to give you a multiplicity of cogent reasons why you should believe in Jesus Christ of Nazareth, the Son of the Living God and the Savior of the world.

The Faith of Jesus Herbert E. Douglass, 2002. The fundamental misunderstanding of faith Herbert E. Douglass writes is one of the crucial reasons not only for the multiplicity of Christian churches but also for the wide variances interpreting almost every Biblical doctrine. For example, Seventh-day Adventists discussing the issue of righteousness by faith focus their attention on such terms as justification, sanctification, and even righteousness and make the too often erroneous assumption that everyone understands the nature of faith itself. What is faith? It is intellectual assent, a deep conviction, a trust in something or someone or what Revelation 14:12 declares that God's people before His return will have the faith of Jesus. What is the faith of Jesus?

How Does God Draw People To Believe In Jesus?: A Biblical Analysis of Alternative Answers and Why It Matters Robert J. Kerrey, 2019-09-24. **Why Believe?** C. Stephen Evans, 1996. C. Stephen Evans has written a pointed and personal book directed to those who want to have faith but whose thinking has been obscured by the static of prevailing philosophies illuminating the attraction and reasonableness of Christianity. *Faith in Jesus* Edwin Aaron Ediger, 2012-10. What is the biblical gospel? Do the scriptures give us a clear picture of what God requires or doesn't for salvation? There is only one way to obtain salvation and the language context and logic of all of the Bible's authors demonstrate precisely what the authentic gospel message is. The gospel must be clearly understood in order to tell others the good news of salvation. Some have either added to or subtracted from the gospel, thereby rendering it confusing, misleading, or ineffective. The Word of God emphasizes the one true way of salvation from cover to cover. No Bible student, pastor, teacher, or Christian leader should be without this careful incisive and revealing analysis of the precision and clarity of the biblical language that unfolds the good news about Jesus Christ. The reader is invited on a biblical journey with the original writers as they identify Jesus who gives eternal life to those who put their trust in Him.
