My Mother's Apprentice Gyasi Burks-Abbott, 2022-01-28 The story of the making of an autism self advocate A chronicle of Gyasi s journey from an early prognosis that he d never make it beyond the 6th grade to graduating from college and eventually earning a master s degree A recounting of Gyasi s struggles growing up without a definitive diagnosis and being black in predominately white schools And a tribute to Gyasi s mother Ruth an academic who instilled in Gyasi a love of learning and always encouraged him to think and advocate for himself Ruth s lifetime of agency in preparing Gyasi for independent living is put to the ultimate test when she is diagnosed with lung cancer and given only six months to a year to live

In the Best Interest of Students Kelly Gallagher, 2023-10-10 In his new book *In the Best Interest of Students Staying True to What Works in the ELA Classroom* teacher and author Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well He takes the long view reminding us that standards come and go but good teaching remains grounded in proven practices that sharpen students literacy skills Instead of blindly adhering to the latest standards movement Gallagher suggests Increasing the amount of reading and writing students are doing while giving students more choice around those activities Balancing rigorous high quality literature and non fiction works with student selected titles Encouraging readers to deepen their comprehension by moving beyond the four corners of the text Planning lessons that move beyond Common Core expectations to help young writers achieve more authenticity through the blending of genres Using modeling to enrich students writing skills in the prewriting drafting and revision stages Resisting the de emphasis of narrative and imaginative reading and writing Amid the frenzy of trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students

Deeper Reading Kelly Gallagher, 2004 Do your students often struggle with difficult novels and other challenging texts Do they think one reading of a work is more than enough Do they primarily comprehend at a surface level and are they frequently unwilling or unable to discover the deeper meaning found in multi layered works Do you feel that you are doing more work teaching the novel than they are reading it Building on twenty years of teaching language arts Kelly Gallagher author of *Reading Reasons* shows how students can be taught to successfully read a broad range of challenging and difficult texts with deeper levels of comprehension In *Deeper Reading* Kelly shares effective classroom tested strategies that enable your students to accept the challenge of reading difficult books move beyond a first draft understanding of the text into deeper levels of reading consciously monitor their comprehension as they read employ effective fix it strategies when their comprehension begins to falter use meaningful collaboration to achieve deeper understanding of texts think metaphorically to deepen their reading comprehension reach deeper levels of reflection by understanding the relevance the book holds for themselves and

their peers use critical thinking skills to analyze real world issues Kelly also provides guidance on effective lesson planning that incorporates strategies for deeper reading Funny poignant and packed with practical ideas that work in real classrooms Deeper Reading is a valuable resource for any teacher whose students need new tools to uncover the riches found in complex texts Minutes California.
