Tree Of Life A Book Of Wisdom For Men:

Tree of Life Ton Vinci, 2010 Scripture taken from the Holy Bible New International Version NIV **The Tree of Life** Juan Rodriguez, 2020-03-19 Veronica establishes a religious empire that is ruling over what's left of the world. She creates other beings like herself which she adopts as children. After training them and teaching them how to utilize their powers and become superior beings capable of healing everything and solving any and every conflict, problems arise. Michal begins using her subtle powers of mind control to deceive Veronica's children into rebelling against her. Now there are beings just as powerful as Veronica trying to destroy everything. They know her every thought; they can see the future and they have all the powers that Veronica has. Plus she loves them more than anything. How does she stop a creature just as powerful as herself without hurting them and proving that this mind controller was responsible? A more sinister plot unfolds. The Bleeders in Africa are getting stronger and stronger and forming an alliance. Besides all of this, the man in charge of running the country, Caophe, who is all the books has developed a bad sex and drug addiction. Besides all of this, Michal has an even bigger chip she is about to play. She is manipulating Veronica's children to resurrect an even more powerful project. Sherman's first project, Michal revives Project Rain and is mind controlling him. Everything is being blamed on Veronica and her religious empire. Michal corrupts Religious history and conspiracies to make it look like Veronica is an evil dictator while in secret controlling everyone to do evil. One last thing I forgot to mention: Project Rain's power is the control over the reality of life and death. Whatever he touches, whatever he looks at or breathes on or advances toward dies. Veronica must face death itself and somehow save the lives of her wicked children. **The Divine Word Opened. Sermons.
