

VIETNAM ROUGH RIDERS

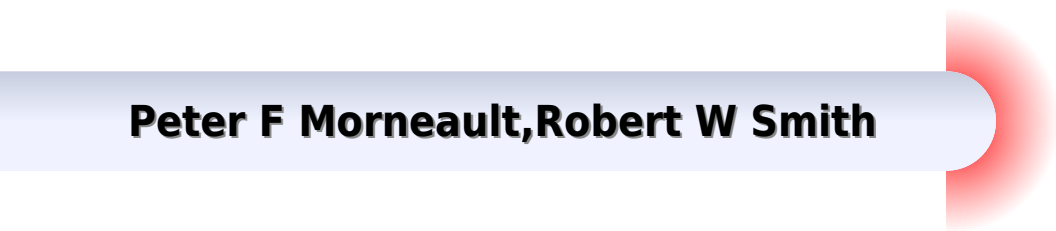

A Convoy Commander's Memoir

FRANK McADAMS

Vietnam Rough Riders A Convoy Commanders Memoir Modern War Studies

Peter F Morneault, Robert W Smith

Vietnam Rough Riders A Convoy Commanders Memoir Modern War Studies:

Vietnam Rough Riders Frank McAdams, 2013-03-12 Black smoke drifted about the scene The first thing I noticed was the huge crater yawning next to the damaged truck In the Vietnam War American rough riders drove trucks through hostile territory delivering supplies equipment ammunition weapons fuel and reinforcements to troops fighting on the war s ever shifting front lines But all too often the convoys themselves became the front lines Frank McAdams a Marine Corps lieutenant learned that the hard way during a tour of duty that began right after the 1968 Tet Offensive and the siege at Khe Sanh In this compelling memoir he recounts his personal battles not only with a dangerous enemy but also with an incompetent superior and a sometimes indifferent military bureaucracy A decidedly different take on the Vietnam experience his chronicle focuses on the ambush prone truck convoys that snaked their way through dangerous terrain in narrow mountain passes and overgrown jungles When an ambush occurred strong leadership and quick thinking were required of officers like McAdams to protect both the convoy s mission and the lives of its men McAdams describes convoys he led through hot zones like the notorious Ambush Alley stretching from Danang through Hai Van Pass to Phu Bai in the north and the provincial area in the south known as the Arizona that surrounded the villages of Phu Loc and An Hoa He also highlights the fierce three day firefight that ensnared him and his men near the Song Cau Du River at Hoa Vang and provides a particularly gripping account of the fighting at Thuong Duc McAdams deals frankly with his fraught dealings with a commanding officer whose ineptness and treatment of his troops made the CO fear for his own life And he writes movingly of his wife s love and encouragement in the face of an emotionally tough separation and also of his difficulty in re engaging with life stateside Fast paced and compulsively readable his book offers an insightful look at a largely neglected aspect of the Vietnam War while reminding us of how frequently the crucible of war reveals one s true character [A Rumor of War](#) Philip Caputo, 2014-05-13 The 40th anniversary edition of the classic Vietnam memoir featured in the PBS documentary series *The Vietnam War* by Ken Burns and Lynn Novick with a new foreword by Kevin Powers In March of 1965 Lieutenant Philip J Caputo landed at Danang with the first ground combat unit deployed to Vietnam Sixteen months later having served on the line in one of modern history s ugliest wars he returned home physically whole but emotionally wasted his youthful idealism forever gone *A Rumor of War* is far more than one soldier s story Upon its publication in 1977 it shattered America s indifference to the fate of the men sent to fight in the jungles of Vietnam In the years since then it has become not only a basic text on the Vietnam War but also a renowned classic in the literature of wars throughout history and as the author writes of the things men do in war and the things war does to them Heartbreaking terrifying and enraging It belongs to the literature of men at war Los Angeles Times Book Review *Waging the War Within* Tim Fortner, Elizabeth Ridley, 2020-04-29 United States Marine Sergeant Tim Fortner survived 14 months in Vietnam as a door gunner in a CH 46 helicopter completing 27 strike flight missions He was awarded the Air Medal for heroic achievement in aerial flight Like

many veterans his real battle didn't begin until he returned home where he struggled to adjust to the new normal of American life in 1969 still haunted by his experiences during the nation's most unpopular war His memoir describes his military training his unit's harrowing missions inserting and extracting troops over landing zones under enemy fire and his four decade struggle with service connected PTSD

Open Wounds Peter F Morneault, Robert W Smith, 2018-07-02 After 50 years of keeping the tormenting memories of the Vietnam War at bay Robert W Smith unveils the horrific experiences he lives with daily He weaves over 130 letters and pictures he sent to his family during a 15 month tour of duty between 1967 and 1968 in South Vietnam into a cohesive and flowing story Open Wounds transforms disjointed examples of physical emotional mental and spiritual hardships into an engaging journey that modern day military families easily empathize with Ironically Smith opens the very wounds that haunt him while sharing the letters meant only for his wife which bring his readers on harrowing patrols of the brown water rivers of the Mekong Delta Open Wounds is a book that highlights the Vietnam War era but carries relevance to the pains of modern day war Smith will donate 100% of the proceeds from Open Wounds to a 501 c 3 organization in New England which helps veterans adjust to living a civilian life again Your purchase of this book will directly help others heal their open wounds

The Brutality of War Gene Dark, 2009 A gripping firsthand look at the true agonies of war this hard hitting memoir shares the combat experiences of Vietnam veteran Gene Dark who served with one of the most decorated companies in the United States Marine Corps Nineteen year old Dark joins the Marine Corps at the height of the Vietnam War and is immediately thrown into the stark reality of the battlefield Quickly transformed into a hardened soldier and forced to endure the terror of firefight and the rigors of combat Dark experiences shock and grief as he watches his closest friends fall However it is Dark's tremendous guilt after taking another human being's life that leaves an indelible mark upon his soul The Brutality of War is not only Dark's recollections of an unpopular rancorous conflict but also his own private perspective on the nature of war itself as experienced in the murky jungles of Vietnam

A Rumor of War Philip Caputo, 1977 The classic Vietnam memoir as relevant today as it was almost thirty years ago In March of 1965 Marine Lieutenant Philip J Caputo landed at Da Nang with the first ground combat unit deployed to Vietnam Sixteen months later having served on the line in one of modern history's ugliest wars he returned home physically whole but emotionally wasted his youthful idealism forever gone A Rumor of War is more than one soldier's story Upon its publication in 1977 it shattered America's indifference to the fate of the men sent to fight in the jungles of Vietnam In the years since then it has become not only a basic text on the Vietnam War but also a renowned classic in the literature of wars throughout history and as Caputo explains of the things men do in war and the things war does to men A singular and marvelous work The New York Times

Remf James Van Trump, 2016-04-22 This memoir recalls the experiences of young men serving in US Army in Thailand during the mid 1960s We supplied the air force with the bombs of Rolling Thunder We aren't Vietnam Vets because while we served within the designated combat area of Thailand Cambodia Laos and Vietnam for far in excess of the thirty days

required we were not in direct support of ground forces We were REMFs Rear echelon service is the rule in the military Actual combat soldiers so called maneuver elements or trigger pullers are the exception This produces a sense of elitism among those in combat who refer to the majority of their fellow troops as rear echelon mother fuckers REMFs They earned the elitism since the death rate among members of maneuver elements runs around fifty times that of rear echelon troops What percentage of US ground forces are REMFs Well according to Michael Kelly Misconceptions Vietnam War Folklore only about 13 of the personnel in deployed combat units end up as trigger pullers In addition only 25 to 30% of the military at large are in combat units The rest end up in headquarters and administration life support or as in our case logistics So like many Vietnam era troops we aren't Vietnam Vets but we were definitely involved This is our story as I remember it War in Aquarius Dennis Kitchin, 2017-01-19 Faced with a 1 A draft classification after graduation from college in the spring of 1968 the author decided to control his own destiny by volunteering for the draft Soon he was given the one job he most wanted to avoid infantryman This is a foot soldier's story of twelve long months in Vietnam Assigned to the 25th Infantry Division much of his time was spent fighting a guerrilla war along the Cambodian border during the Vietnamization program Day to day platoon operations produced dread fear bafflement loyalty disillusionment and ecstasy among the men fighting and dying in the jungle The lack of leadership both military and political exacerbated the conditions Convoy Ambush Case Studies - Volume I - Korea and Vietnam Richard E. Killblane, U. S. Military, Department of Defense (DoD), U. S. Government, 2018-04-28 This is the second edition of a superb report on convoy ambushes in the Korean and Vietnam war It has been professionally converted for accurate flowing text e book format reproduction This is the first book dedicated to the study of convoy ambushes It chronicles the lessons of both wars and describes incredible feats of heroism of truck drivers defending truck drivers The Vietnam War was the golden age of gun trucks with art work and names to reflect the lan of the crews Knowing that every engagement would always start on the enemy's terms and at his chosen sites the crews of the gun trucks were the Army's version of gunslingers reacting recovering and fighting while never faltering Young men made life and death decisions to save the lives of other truck drivers Three such men received Medals of Honor for their ultimate sacrifices The summation of these case studies will provide the reader an understanding of this aspect of two wars and lessons of convoy security From the Introduction Unfortunately the US Army did not record many good accounts of ambushes during the Vietnam War Much of what is presented in this text is based upon oral interviews of the participants sometimes backed by official record citations or reports For this reason some of the ambush case studies present only the perspective of a crew member of a gun truck or the convoy commander Since this academic study works best when one mentally takes the place of one of the participants this view of the ambush serves a useful purpose After my own review of the ambushes I have added the lessons of the participants as well as drawn my own conclusion as to what principles apply to convoy ambushes

Some Gave it All Danny Lane, Mark Bowser, 2018-05-01 Based on an incredible true story a young Marine fights an

unbelievable battle in the abyss of Vietnam Get a front row seat to the intense action courage and sacrifice he and other Marines endured Experience the ferocity of battle the deep bonds of brotherhood and the stinging sweat of fear that hangs persistently over the jungle canopy Imagine lying in a foxhole when a Broken Arrow goes into effect as the enemy sappers overtake their position forcing these young soldiers to fight the enemy hand to hand This is the gripping story of Marine Corporal Danny Lane and other young Marines that stood the faith with God and the Marine Corps during the most agonizing times that no one would want to endure Instead of a hero's welcome he and other survivors came home to a country that didn't honor their sacrifices War is Hell but for some surviving is worse

Unveiling the Magic of Words: A Report on "**Vietnam Rough Riders A Convoy Commanders Memoir Modern War Studies**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring.
