Rockmount Legends Steve Weil, 2026-05-19 Authentic stories celebrity memories and rare archival photos trace Rockmount's western shirt brand from its 1946 roots to pop culture legend Saddle up for a stylish journey through the iconic legacy of Rockmount Ranch Wear Mfg Co the shirt that made the West wild and Hollywood take notice Rockmount Legends in Classic American Western Fashion celebrates the rich history of this three generation Denver brand whose signature snap front shirts have graced everyone from Elvis to Springsteen from movie sets to the Grand Ole Opry More than just a fashion statement Rockmount shirts have become a symbol of American lifestyle individuality and cool This book stitches together behind the scenes stories celebrity memories and rare archival photos that trace the brand's roots from 1946 to pop culture legend Whether you're a vintage Western fan fashion lover or curious about the iconic stars who wear the West with pride this tribute captures the enduring spirit of the West and a shirt company that helped define American style Discover the shirt that started a movement Wear the story

Westernwear Sonya Abrego, 2022-11-03 During the prosperous forward thinking era after the Second World War a growing number of men women and children across the United States were wearing fashions that evoked the Old West *Westernwear* Postwar American Fashion and Culture examines why a sartorial style with origins in 19th century agrarian traditions continued to be worn at a time when American culture sought balance between technocratic confidence in science and technology on one side and fear and anxiety over global annihilation on the other By analysing well known and rarely considered western manufacturers *Westernwear* revises the common perception that fashionable innovation came from the East coast and places western youth cultures squarely back in the picture The book connects the history of American working class dress with broader fashionable trends and discusses how and why Native American designs and representations of Native American people were incorporated broadly and inconsistently into the western visual vocabulary Setting westernwear firmly in context Sonya Abrego addresses the incorporation of this iconic style into postwar wardrobes and popular culture and charts the evolution of westernwear into a modern fashion phenomenon
