Paradox Jane Weir,2005-05 In sharp contrast to today s foreboding politically correct posturing there is a formula that measures all things in the same precise

way that we know with certainty that two plus two equals four However the world continues to search for this universal truth until it faces its old enemy head on and looks him straight in the eye Paradox The Rejected Cornerstone vindicates this marvelous prototype proving emphatically once and for all that a paradox is not a contradiction as it so easily appears Author Jane Weir details the composition of the paradox and for the first time discloses its incredible logistical and mathematical laws Embark on an eye opening journey into the mysterious and obscure realm of truth Understanding will be yours once you observe this ubiquitous equation revealing life s universal blueprint Therefore it is with great hope that the educated and uneducated alike will come to see that life is not a contradiction as is commonly perceived It is instead a paradox not an accidental and misfortunate stumbling block but a magnificently complex creatively designed information source What God taught a muddled old man about; Our Triune God; Jesus Christ;The Bible, and the Book of Revelation Charles

Pearson,2024-03-25 Charles Pearson is an eighty five year old man who was raised by a single and very religious mother She was a very religious person who was active in her church all her life She remained single until Charles was a senior in high school devoting her life to Charles and his three brothers She was the most influential person in Charles s early life She tried her best to bring Charles up to be a believer in Christ and was mostly successful in that effort although Charles was not very cooperative in that endeavor Fortunately Charles married a very wonderful wife who continued in that effort during their marriage which has now lasted for sixty years Consequently Charles attended church most of his adult life and in fact ended up being a deacon in a Baptist church This lasted ten years Charles moved his family around a lot during his working years and they were members of several different denominations of churches At different times they were members of Methodist Presbyterian Southern Baptist and Christian churches He became an avid student of the Bible always seeking the truth of the words in it This became a passion for him and although he was committed to his family he spent as much of his spare time pursuing that passion as possible This book is the result of that lifetime of biblical study Charles and Barbara have three children five grandchildren and two great grandchildren They are the delight of their lives Wired for War P.
