What Every Pastor Should Know Gary L. McIntosh, Charles

Arn, 2013-04-15 Pastors and church leaders are constantly faced with strategic questions How much staff does the church need How many workers are needed in the nursery this month When is the right time to start a second worship service How many people should we train for evangelism this year How does seating and parking impact worship attendance When church leaders have questions about planning running or growing their churches they need answers fast What Every Pastor Should Know offers pastors and leaders 101 valuable rules and sacred laws to help answer real life ministry questions From advertising to facilities to visitation this valuable book offers the practical help that leaders need just when they need it most This comprehensive guide will become one of the most valuable books in a leader's library Never again will they wonder if they based critical decisions on the right information They'll get the answers they're looking for all in one place *What Every Preacher Should Know* ANGULUS DION. WILSON, 2025-03-18 Preaching Ain't Easy But It's Necessary My brothers and my sisters let's be real preaching today just don't hit like it used to Too many folks don't understand what's being said and even more don't know why it's being preached in the first place That's why we gotta talk about the what the why and the how of preaching Because if we don't get clear on these things we'll be out here just making noise instead of making a difference See we're living in a time where good strong biblical leadership is hard to find Oh we got plenty of folks with titles but not enough with testimonies Plenty with charisma but not enough with calling We need men and women who can stand flat footed in the pulpit and declare Thus saith the Lord even when times are tough even when people don't want to hear it even when they have to lead through dry places That's why this book was written for the preacher who knows they've been called but doesn't have a mentor to walk with them For the preacher who's trying to figure it out but doesn't have a model to follow For the preacher who's got the fire but needs some fuel to keep burning And who better to learn from than Moses Oh yes Moses knew what it was to carry a heavy calling Moses knew what it was to preach to stubborn people Moses knew what it was to lead when he barely had strength to follow And through his life legacy and lessons we can find some wisdom for our own journey So my dear preacher my dear leader my dear servant of the Most High walk with me through these pages Let's

wrestle with the Word together Let s sit at the feet of God s truth And maybe just maybe we ll come out on the other side better stronger and more equipped to do what God has called us to do *The Chicago Theological Seminary Register* Chicago Theological Seminary,1911 Alumni directory issue 1859 1951 v 44 no 4 v 45 no 1 Preaching Through Pain: What Every Preacher and Person Should Know about Performing Under Pressure Arthur J.
