Brondos, 2018-07-16 Jesus Death in New Testament Thought is unlike anything written on the subject to date It represents a radical break with the traditional models or theories of atonement based on ideas such as penal substitution participation in Christ and the Christus Victor motif claiming that all of these ideas as commonly understood are foreign to New Testament thought On the basis of his analysis of second temple Jewish thought Brondos demonstrates that for Jews in antiquity what atoned for sins and led people to be declared righteous in God s sight was not sacrifice suffering or death in themselves but the renewed commitment to living in accordance with God s will which they manifested by means of their sacrificial offerings and at times their willingness to endure suffering and death out of faithfulness to that will According to the thought of Jesus first followers in accordance with a divine plan conceived of before the ages in Jesus God had sent his Son in order to establish around him a community of people fully committed to practicing the love justice solidarity and righteousness associated with God s will for all Jesus dedication to this task led to confrontation and conflict with the powers and authorities of his day who sought to silence him by having him put to death Because he stood firm and remained faithful to that task rather than backing down from it he was crucified on a Roman cross Paradoxically however in this way he laid the basis for the existence of the community God had desired from the start stamping it forever as one to which no one could truly belong without assuming the same firm commitment to Jesus and everything for which he had lived and died Those who form part of this community living out of faith under Jesus as their risen Lord come to practice God s will as redefined through Jesus and on that basis are forgiven and accepted as righteous by God Thus by giving up his life out of love for others in faithfulness to the task his Father had given him Jesus has attained the redemption reconciliation cleansing and justification of those who now live under his lordship as members of the worldwide community of believers from all nations that God has established through him and his death in fulfillment of the promises that God had made of old to his people Israel In Volume 1 Brondos looks to the relevant texts from antiquity to trace the background and development of these ideas His argument will leave the reader with no doubt that Jesus first followers

understood the salvific significance of his death or blood in the manner just outlined and therefore that the traditional interpretations of his death that have prevailed from patristic times to the present do not reflect faithfully their thought as we find it in the New Testament In Volume 2 Brondos examines the formulaic allusions to Jesus death that we find scattered throughout the New Testament and other early Christian writings so as to demonstrate that these are precisely the ideas that lie behind those allusions At the same time through his analysis of the writings of Melito of Sardis and Irenaeus of Lyons he provides clear evidence that by the late second century ideas that are foreign to those texts began to be read back into them with the result that the original understandings of Jesus death that had developed among his first followers came to be replaced by other understandings that run contrary to their thought In his Conclusion Brondos argues that only by rejecting the traditional models of atonement and returning to the New Testament teaching on this central doctrine can the Christian church respond effectively to the crisis it faces today and bring about the restoration of the type of communities envisioned by Jesus and his first followers

Presentation page to make this KJV Bible uniquely yours Single column format for a focused reading journey Christian Worker s Resource a special supplement to enhance your ministry effectiveness The words of Jesus are in red letters making his teachings stand out Discover why the Life Application Study Bible is the best selling study Bible *Herald of Gospel Liberty* Elias Smith,1911 *The Ministry of the Word, Vol. 26, No. 08* Various Authors,2022-10-30 This issue of The Ministry of the Word contains Messages 17 through 24 given during the spring 2022 term of the full time training in Anaheim California as the continuation of the general subject Chapters Five through Eight of Romans the Kernel of the Bible The sixteen messages in this term emphasize Romans 7 and especially chapter 8 The general subject of this series of messages is derived from footnote 1 on Romans 5 14 which says that chapters 5 through 8 of Romans can be called the kernel of the Bible The footnote also points out that life and death form two contrasting lines through these chapters and that man is in the middle between the line of life which represents God and the line of death which represents Satan Life and death are the intrinsic essence of the kernel of the Bible In Romans 7 and 8 we see that Paul discovered four laws four spontaneous automatic effortless and unconscious universal principles or functions In particular there are three lives and four laws revealed in these chapters The first law the law of God is the moral and objective law The second law is the law of good in man s soul especially the mind which corresponds to the created human life and which desires to carry out the law of God The third law is the law of sin and of death which derives from the evil satanic life in our flesh this law is stronger than the law of good within and thus seizes man s desire to do good and turns it into an opportunity to sin The fourth law is the law of the Spirit of life which is higher than and overcomes the law of sin and of death this law derives from the uncreated divine life that is now in our regenerated human spirit We need to see these three lives and four laws in order to experience the indwelling Christ as the law of the Spirit of life We also need to see what the flesh is The flesh denotes the totality of the fallen old man our entire fallen being man is totally flesh because the fallen being today is under the dominion of the fallen flesh The flesh is enmity against God the flesh is not subject to God s law the flesh is not able to subject itself to the law of God and the flesh can never please God Every aspect of our flesh whether good or evil is an enemy of God s authority Whatever is of the flesh is against God s throne it will be used by Satan the subtle one the enemy of God to hinder God s purpose The flesh is the meeting hall and the compound of sin death and Satan the flesh is a hopeless case and can never be improved However in His wisdom and sovereignty God uses our flesh as a compelling force that causes us to turn to our spirit We are either in the spirit or in the flesh there is no third place for us to be The believer is a miniature garden of Eden with God as the tree of life in his spirit Satan as the tree of knowledge in his flesh and his mind in between In Romans 8 the mind is neutral being between the regenerated mingled spirit and the fallen body the flesh Setting the mind on the spirit is the key to death or life Because both Satan and God are in us our mind has become a battlefield between God and Satan Whether we are one with Satan or one with God depends upon where we set our mind In order to fight the battle against the

enemy we must know that the mind is the battlefield and that the way to protect and cover our mind is to turn it to the Lord all the time The Bible requires only one thing of us that we walk according to the mingled spirit which is to live move act behave have our being and do everything in the mingled spirit While we remain in the touch with the Lord staying in contact with Him in our spirit the law of the Spirit of life works automatically spontaneously and effortlessly within us By the working the spreading of the law of the Spirit of life within us God makes us the same as He is in life nature and expression We are conformed to the image of the firstborn Son of God by the working of the law of the Spirit of life The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe The English Version of the Polyglot Bible Containing the Old and New Testaments : with a Copious and Original Selection of References to Parallel and Illustrative Passages ,1870* **The Study ,1875**
