Why You Might Stay Single Online Are You Part Of The Problem:

Vagina Problems Lara Parker, 2020-10-06 In *Vagina Problems* Lara Parker unpacks the personal and economic costs of endometriosis. Vanity Fair. A refreshingly honest read about living with chronic pain. Hello Giggles. With unflinching honesty Lara Parker, the Deputy Director for BuzzFeed, shares her day to day challenges of living working and loving with chronic pain caused by endometriosis in this raw, darkly humorous and hopeful memoir. I wasn't ready to be completely honest about my vagina yet and the world wasn't ready for that either. But I was getting there. I wanted the world to know that all of this pain I had been feeling that it was related to my vagina. Thus *Vagina Problems* was born. It was a cutesy name. It was my way of taking this pain and saying 'Whatever I'm here I have it. It sucks. Let's talk about it.' In April 2014, Deputy Editorial Director at BuzzFeed, Lara Parker opened up to the world in an article on the website she suffers from endometriosis. And beyond that, she let the whole world know that she wasn't having any sex as sex was excruciatingly painful. Less than a year before she received not only the diagnosis of endometriosis but also a diagnosis of pelvic floor dysfunction, vulvodynia, vaginismus, and vulvar vestibulitis. Combined, these debilitating conditions have wreaked havoc on her life, causing excruciating pain throughout her body since she was fourteen years old. These are her *Vagina Problems*. It was five years before Lara learned what was happening to her body. Five years of doctors insisting she just had bad period cramps or implying her pain was psychological. Shamed and stigmatized, Lara fought back against a medical community biased against women and discovered that the ignorance of many doctors about women's anatomy was damaging more than just her own life. One in ten women have endometriosis and it takes an average of seven years before they receive an accurate diagnosis or any relief from this incurable illness: chronic pain. With candid revelations about her vaginal physical therapy, dating as a straight woman without penetrative sex, coping with painful seizures while at the office, diet and wardrobe malfunctions when your vagina hurts all the time, and the depression and anxiety of feeling unloved, Lara tackles it all in *Vagina Problems: Endometriosis, Painful Sex, and Other Taboo Topics* with courage, wit, love, and a determination to live her best life. *Deploy Empathy: Practical Guide*

to Interviewing Customers & Building Better Products Mateo Santiago Vega, 2025-09-05 The biggest reason new products fail is that they solve a problem nobody has. Many companies spend months or even years building a product based on assumptions, not evidence. They talk to customers but only ask questions that confirm their own biases. This leads to a huge amount of wasted time, money, and effort when the product finally launches to a silent audience. *Deploy Empathy* is your guide to preventing this. This book is not about feelings; it is about a practical system for deeply understanding your customers. It provides a step-by-step framework for conducting customer interviews that uncover honest insights and real needs. This practical guide will show you how to structure an interview that gets past surface-level opinions. Ask powerful, open-ended questions that encourage truthful answers.
