Trenton New Jersey he moved to a small tenant house on a farm in New Egypt New Jersey where the dysfunction began He lived there with his parents and siblings always feeling poor hungry and abandoned When he was ten years old he began doing anything he wanted to do and became a juvenile delinquent His father passed away when he was twelve and his mother moved the family to Bordentown New Jersey where he felt lost and alone To ease the pain he began drinking and hanging out with older teenagers because it made him feel older He was restless most of the time and began to look for adventure in the wrong ways Drinking was not an adventure anymore but stealing cars was Three court appearances later he had to reinvent himself for the first time Now fifteen years old it was time for another reinvention He thought he would settle down and change his ways if he had a girlfriend The first girlfriend didn't work and girlfriends became another addiction over a period of three years Alcohol and women weren't working either The early dysfunction was still there The chaos went on for nine more years before the redemption started all those in recovery know what the chaos is but the author lets you know how it works after redemption Forty eight years sober with twenty five as a licensed addiction counselor his story will amaze you with hope and inspiration
