Treatment of Complex Trauma Christine A. Courtois, Julian D. Ford, 2012-10-22 This insightful guide provides a pragmatic roadmap for treating adult survivors of complex psychological trauma Christine Courtois and Julian Ford present their effective research based approach for helping clients move through three clearly defined phases of posttraumatic recovery Two detailed case examples run throughout the book illustrating how to plan and implement strengths based interventions that use a secure therapeutic alliance as a catalyst for change Essential topics include managing crises treating severe affect dysregulation and dissociation and therapist self care The companion website offers downloadable reflection questions for clinicians and extensive listings of professional and self help resources A new preface in the paperback and e book editions addresses key scientific advances See also Drs Courtois and Ford s edited volumes Treating Complex Traumatic Stress Disorders in Adults Second Edition and Treating Complex Traumatic Stress Disorders in Children and Adolescents which present research on the nature of complex trauma and review evidence based treatment models Winner Second Place American Journal of Nursing Book of the Year Award Psychiatric and Mental Health Nursing Category

Treatment of Complex Trauma Christine A. Courtois, Julian D. Ford, 2015-09-21 The research base on complex psychological trauma has grown significantly in recent years Yet even with the development of more effective techniques for treating complex trauma survivors therapists often struggle to build strong relationships with these severely distressed clients In this guide the authors present an approach for helping adult clients move through the three phases of posttraumatic recovery and for managing the inevitable roadblocks and relationship issues that occur The introductory chapters explore how complex trauma emerges from chronic victimization and the disruption of attachment bonds in childhood or adulthood and review diagnostic considerations Two extended case examples highlight clinical issues that arise with this population and running throughout the chapters show how to use a secure therapeutic alliance as a foundation for utilizing evidence based treatment strategies The authors demonstrate ways to weave together elements of cognitive behavioral psychodynamic relational and systemic therapies along with other proven approaches in the service of working toward clearly defined therapeutic goals In Phase 1 the emphasis is basic safety and personal stabilization Phases 2 and 3 address trauma processing and the challenges of creating a new more satisfying life Strategies for tailoring interventions to each individual s needs and strengths aided by ongoing assessment are detailed Applications in group couple and family therapy are also discussed

Treating Complex Trauma Tamara McClintock Greenberg, 2020-08-03 This forward thinking volume outlines several approaches to therapeutic treatment for individuals who have experienced complex childhood and adult trauma providing a novel framework for helping patients with a number of challenging symptoms with clinical hypothesis testing and solid therapeutic relationships as a vital foundation Responding to the intense disagreement and competition among clinicians championing their own approaches the book identifies the strengths and limitations of multiple

therapeutic approaches addressing the need for qualified clinicians to be versed in multiple theories and techniques in order to alleviate suffering in their clients Among the topics discussed How to choose specific therapeutic methods and when to shift techniques The neurobiology of trauma and management of fear Cultural and ethnic considerations in trauma treatment Addressing avoidance and creating a safe therapeutic environment Management of dissociation substance abuse and anger Treating Complex Trauma Combined Theories and Methods serves as a practical guide for clinicians looking to expand their knowledge of approaches for treating complex trauma It aims to provide clinicians with options for different therapeutic methods along with the necessary context for them to select the most effective approach in their treatments For the first time in the professional literature we are finally afforded a clear cogent and detailed explication of complex trauma and the multifaceted parameters of treatment Dr Tamara McClintock Greenberg provides perspicacious insight and clinical wisdom only a seasoned career therapist can yield Offering sophisticated and nuanced distinctions between complex trauma and PTSD she shows how treatment is necessarily contextual and tailored to the unique clinical and personality dynamics of the sufferer that is thoroughly client specific within the therapeutic dyad She dispenses with simplistic and supercilious attitudes that embarrassingly boast a uniform or manualized treatment to trauma instead carefully taking into consideration polysymptomatic neurobiological and socialcultural differences that inform the interpersonal emotional and safety milieu from the beginning of treatment to stabilization the working through process and then onto successful recovery This is a must read book for those in training and senior clinicians alike Jon Mills PsyD PhD ABPP Faculty Postgraduate Programs in Psychoanalysis author of Treating Attachment Pathology Dr Greenberg has written an invaluable book on treating complex trauma She delves into multiple approaches assessing what techniques the client can tolerate at a given therapeutic stage She covers how to maintain consistency and connection through a flexible approach and avoid pitfalls This is a must read for clinicians wishing to treat clients with complex PTSD Louann Brizendine MD Clinical Professor UCSF author of The Female Brain
