his nineteenth century meeting with Guinan But he did remember a different first encounter with the mysterious El Aurian a tumultuous adventure in which Picard and Guinan would risk their lives in a maze of interplanetary intrigue with the future of the known universe at stake This is the story of that fateful meeting and of a Guinan very different from the woman we think we know a person wracked by pain and longing shaken to the roots of her soul A Guinan who yearns for oblivion *A Star Trek: The Next Generation: Time #9: A Time for War, A Time for Peace* Keith R. A. DeCandido, 2004-10-01 The shattering conclusion to the nine book Next Generation series that chronicles the untold adventures of the Enterprise crew between the events depicted in the feature films Star Trek Insurrection and Star Trek Nemesis On the cusp of their epic battle with Shinzon many of Captain Jean Luc Picard's long time crew were heading for new assignments and new challenges Among the changes were William Riker's promotion to captain and his new command Riker's marriage to Counselor Deanna Troi and Dr Beverly Crusher's new career at Starfleet Medical But the story of what set them on a path away from the Starship Enterprise has never been told UNTIL NOW Following the scandalous Tezwa affair the Federation president's resignation forces an election with the future of the United Federation of Planets to be determined by who emerges victorious from a hotly contested vote But it is the fate of the entire galaxy that may actually be decided on Qo noS as the Federation embassy is seized by terrorists whose actions expose intrigue reaching the highest levels of Klingon government and it will take all of Ambassador Worf's skills to keep the fragile Federation Klingon alliance from collapsing And while this potential intergalactic chaos looms Commander Riker finds his plans for command and marriage soured by a brutal high level inspection of the ship from which the crew may not escape unscathed The epic miniseries comes to a shocking conclusion one that will leave the Star Trek universe changed forever
