Vocal Selections from George M! George Michael Cohan,1968 A musical based on Cohan's life and using his songs
Vocal Selections from George M! Mary Cohan,1968 *George M!* George Michael Cohan,1968 *George M!* George M. Cohan,1968 *Catalog of Copyright Entries* Library of Congress. Copyright Office,1970 **The Oxford Handbook of Musical Theatre Screen Adaptations** Dominic McHugh,2019-06-14 Hollywood's conversion to sound in the 1920s created an early peak in the film musical following the immense success of *The Jazz Singer* The opportunity to synchronize moving pictures with a soundtrack suited the musical in particular since the heightened experience of song and dance drew attention to the novelty of the technological development Until the near collapse of the genre in the 1960s the film musical enjoyed around thirty years of development as landmarks such as *The Wizard of Oz* *Meet Me in St Louis* *Singin in the Rain* and *Gigi* showed the exciting possibilities of putting musicals on the silver screen *The Oxford Handbook of Musical Theatre Screen Adaptations* traces how the genre of the stage to screen musical has evolved starting with screen adaptations of operettas such as *The Desert Song* and *Rio Rita* and looks at how the Hollywood studios in the 1930s exploited the publication of sheet music as part of their income Numerous chapters examine specific screen adaptations in depth including not only favorites such as *Annie* and *Kiss Me Kate* but also some of the lesser known titles like *Li'l Abner* and *Roberta* and problematic adaptations such as *Carousel* and *Paint Your Wagon* Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies *Early Broadway Sheet Music* Donald J. Stubblebine,2015-06-08 This work a companion to the author's *Broadway Sheet Music A Comprehensive Listing of Published Music from Broadway and Other Stage Shows 1918 through 1993* McFarland 1996 provides information about all sheet music published 1843-1918 from all Broadway productions plus music from local shows minstrel shows night club acts vaudeville acts touring companies and shows on the road that never made it to Broadway and all the major musicals from Chicago **Music Theory Through Musical Theatre** John Charles Franceschina,2015 *Music Theory through Musical Theatre* takes a new and powerful approach to music theory Written specifically for students in music theatre programs it offers music theory by way of musical theatre Not a traditional music theory text *Music Theory through Musical Theatre* tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on what students will need to master in preparation for a professional career as a performer Veteran music theatre musician John Franceschina brings his years of experience to bear in a book that offers musical theatre educators an important tool in equipping students with what is perhaps the most important element of being a performer the ability to understand the language of music in the larger dramatic context to which it contributes The book uses examples exclusively from music theater repertoire drawing from well known and more obscure shows and songs Musical sight reading is consistently at the forefront of the lessons teaching students to internalize notated music quickly and accurately a particularly necessary skill in a world where songs

can be added between performances Franceschina consistently links the concepts of music theory and vocal coaching showing students how identifying the musical structure of and gestures within a piece leads to better use of their time with vocal coaches and ultimately enables better dramatic choices Combining formal theory with practical exercises Music Theory through Musical Theatre will be a lifelong resource for students in musical theatre courses dog eared and shelved beside other professional resource volumes **San Francisco Municipal Record** ,1915 **City Directory of Boston** ,1904
