Voicing The Vision Imagination And Prophetic Preaching:

Voicing the Vision Linda L. Clader, 2003 Popular homiletics professor Linda Clader has been helping her students become attentive to how the Holy Spirit is speaking to them and eventually through them to the congregation In Voicing the Vision she shares her ideas about what preachers can do to be open and receptive to the Spirit once the exegesis is done Clader s approach to inspired and prophetic preaching is a holistic one filled with suggestions about how the preacher s spiritual life and practice affect openness to the Spirit as well as how various creative exercises can create spaces in which the Spirit can flourish Her careful analysis of the biblical texts that illuminate how the Spirit works in those texts is supplemented by practical suggestions for noticing how the Spirit also works in the everyday life of preacher and congregation This book will be a welcome companion for the seminarian who is just learning to preach as well as the seasoned preacher who is looking for new inspiration

Prophetic Preaching Leonora Tubbs Tisdale, 2010-01-01 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these vexing questions while providing guidance and encouragement to pastors who want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale s work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake

The New Interpreter's® Handbook of Preaching, 2010-11-01 The New Interpreter s Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the

sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homiletics preachers and writers in various disciplines who are committed to the pulpit through practice

How Women Transform Preaching Leonora Tubbs Tisdale, 2021-04-06 Women preachers are everywhere The pulpit once a bastion of male presence and power has become in many denominations a place where women regularly exercise their gifts leading congregations and proclaiming God's word each week The number of women scholars who are publishing and teaching in the field of preaching has also expanded dramatically Leonora Tubbs Tisdale explores how the presence of women preachers and scholars of preaching has transformed the practice of homiletics this country from the reclamation of women's herstory in preaching to the topics addressed in preaching and scholarship to the way in which Biblical hermeneutics and theologizing are undertaken in preaching to the imagery illustrations shape and embodiment of the sermons themselves How Women Transform Preaching begins with a fascinating survey including statistical information and historical analysis Interviewing 16 women preachers homiletics Tisdale shares untold stories of women preachers throughout history who are largely unknown but who serve as examples of both the struggle and power of women's preaching She then tells the stories of contemporary women preachers Throughout Tisdale draws practical lessons for the reader showing what students homiletics and preachers can learn from extraordinary women preachers

Setting the World on Fire Laura R. Dejmek, 2014-08-19 Laypersons receiving a divine call to preach in the Roman Catholic Church may feel caught between a rock and a hard place both figuratively and ecclesiastically They may feel constrained between the Rock of Peter and the hard place of resistance to the preaching gift they believe they have and their desire to share it At first glance the Roman Catholic Church with its two millennia of Sacred Tradition seemingly offers little that favors the inclusion of lay preachers In addition many lay preachers may experience the bias of clergy and assembly members who unconsciously presume there is no role for laity to preach within the Roman Catholic Church Preaching does not occur solely within liturgical settings or only via pulpit preachers All Dominicans as members of the Order of Preachers are called to embody the Sacra Praedicatio the Sacred Preaching In fact canon law does permit laity to preach in certain liturgical settings Setting the World on Fire details one Roman Catholic woman's experience of her own call to preach the grace and gifts brought to both the preacher and the assembly as well as her desire to help all Dominicans and indeed all Christians embrace their rightful role as preachers
