DBS, 2022-09-29 If God is speaking to us then what is He saying That is what most people want to know This book reveals God's love language from Genesis all the way into the New Testament when Jesus finally appears on the scene It takes an in depth look at God's communication with Israel but also the world outside of Israel It explores the blunders and calamities that God's people get themselves into and reveals God's response as a love language Each book of the Bible tells a unique story and within that story God is speaking a language of love as reconciliation The goal is to see God's love even if that language is challenging at times Within each disaster of the biblical narrative God reveals Himself as faithful and loving Even in God's judgement there is a beautiful language of love being revealed which is clearly seen in God's exchange with Pharaoh This book will help answer difficult questions about the Old Testament while pointing out God's method of communication with the people of the Old and New Testament The aim is to help you see the conversation between Creator and creation as both purposeful and affectionate Compassionate Outreach: A Journey from Crime to Ministry Priscilla Coleman

The Characters of Creation Daniel Darling, 2022-06-07 Most Christians are familiar with the opening words of Genesis: In the beginning God created the heavens and the earth. But push beyond those iconic words, and sometimes the details get a little hazy. And strange: God walked around in a garden. Eve was made from Adam's rib. A talking serpent. And what the in the world were the Nephilim. In *The Characters of Creation*, Daniel Darling reintroduces readers to the story they thought they knew. He explains the Bible's story of how we got here and how things got messed up, and gives fresh insights into the first people in God's unfolding plan of redemption: from Adam and Eve, the Serpent, Cain and Abel, and Noah.

Using and Enjoying Biblical Greek Rodney A. Whitacre, 2015-11-24 Many who study biblical Greek despair of being able to use it routinely, but veteran instructor Rodney Whitacre says there is hope. By learning to read Greek slowly, students can become fluent, one passage at a time, and grasp the New Testament in its original language. Whitacre explains how to practice meditation on Scripture, *lectio divina*, in Greek, presenting a workable way to make Greek useful in life and ministry. Ideal for classroom use and for group or individual study, this book helps students advance their knowledge of Greek and equips them to read the original texts with fluency and depth.
