I enjoyed it! The writing style is directed towards the more masculine/male audience, and maybe one at the beginning of a spiritual path." - A Reader "Morclarity came as I went back and re-read Warrior of Light from the beginning. I'm drawn to the author's story and for our similarities. As I was reading it I felt like the author was reading my mind, and relaying excerpts from my life. Until I read Warrior of Light, I felt very alone in this process of overcoming. There really are no words I can find to thank this author for being the beacon of light at the end of this transition from victim to the person I am today." - A Reader "I've been reading Warrior of Light. I love how the author describes cord cutting and shielding. It is so helpful! I enjoyed the writing." - A Reader "I read the Warrior of light book. I loved every page! It is not the type of book that you read one time. This book has definitely become #1 in my list of favorite books." - A Reader "I love the way the author makes spirituality come across so realistic!
