Warsan Shire Free Ebook:

The Soul of a Woman Isabel Allende, 2021-03-02 From the New York Times bestselling author of *A Long Petal of the Sea* comes a bold exploration of womanhood feminism parenting aging love and more Associated Press *The Soul of a Woman* is Isabel Allende's most liberating book yet Elle When I say that I was a feminist in kindergarten I am not exaggerating begins Isabel Allende As a child she watched her mother abandoned by her husband provide for her three small children without resources or voice Isabel became a fierce and defiant little girl determined to fight for the life her mother couldn't have As a young woman coming of age in the late 1960s she rode the second wave of feminism Among a tribe of like minded female journalists Allende for the first time felt comfortable in her own skin as they wrote with a knife between our teeth about women's issues She has seen what the movement has accomplished in the course of her lifetime And over the course of three passionate marriages she has learned how to grow as a woman while having a partner when to step away and the rewards of embracing one's sexuality So what feeds the soul of feminists and all women today To be safe to be valued to live in peace to have their own resources to be connected to have control over our bodies and lives and above all to be loved On all these fronts there is much work yet to be done and this book Allende hopes will light the torches of our daughters and granddaughters with mine They will have to live for us as we lived for our mothers and carry on with the work still left to be finished
