Watch Me Read and Draw: The Zoo Samantha Chagollan, 2018-04-03 This step by step drawing and story book teaches children to draw their favorite animals from the zoo with simple steps and a fun engaging story Fast Sketching Techniques David Rankin, 2011-05-30 It can happen at any moment A powerful light effect A telling gesture A unique posture When you're struck by an image or impression you want to use in your art you must record it quickly before it's gone But what's an artist to do when there's no time for a carefully rendered drawing or even a good photo Some quick field sketching that's what This book will revolutionize the way you sketch David Rankin reveals the simple secrets to creating quick impressionistic field sketches from life and how to work with them once you're back in the studio With the tools and methods described here you'll be surprised how easy it is to draw rapid visuals of landscapes animals figures crowds any subject So the next time you're taken by a sudden fleeting inspiration you can capture it And make the most of it in your art **The Secret of Hogan's Swing** Tom Bertrand, Printer Bowler, 2010-12-13 Praise for The Secret of Hogan's Swing The Secret of Hogan's Swing goes beyond pure instruction offering insightful shot making and strategy tips passed on to former tour pro John Schlee from Ben Hogan and interpreted wonderfully by Tom Bertrand and Printer Bowler John Andrisani author of Tiger's New Swing and Heaven Can Wait Like finding the Rosetta stone of golf Tom Bertrand and Printer Bowler's The Secret of Hogan's Swing gives us a pipeline to the Master's wisdom that we thought had been lost forever Secret is an instruction book like no other It's the Hogan book Hogan himself never wrote packed with the insights the great champion passed on to John Schlee in a fascinating mentor disciple relationship and that Schlee in turn bequeathed to Tom Bertrand We'll probably never have anything like this again Hogan's gone Schlee's gone but thank goodness we've got Tom Bertrand to preserve the nuggets of pure golfing gold that the Master dug up out of the dirt of ten thousand practice tees and a thousand tournaments The Secret of Hogan's Swing demonstrates that the vein of wisdom left by the peerless champion still yields up precious ore not just in the technical aspects of the golf swing Hogan's concepts are not only absolutely modern but even quite radical but in his insights into the psychological and mental aspects of the game His concept of the moving wall is worth the price of the book alone A must read for every serious student of the game Steven Pressfield author of The Legend of Bagger Vance *Drawing Blood* Molly Crabapple, 2015-12-01 Art was my dearest friend To draw was trouble and safety adventure and freedom In that four cornered kingdom of paper I lived as I pleased This is the story of a girl and her sketchbook In language that is fresh visceral and deeply moving and illustrations that are irreverent and gorgeous here is a memoir that will change

the way you think about art sex politics and survival in our times From a young age Molly Crabapple had the eye of an artist and the spirit of a radical After a restless childhood on New York s Long Island she left America to see Europe and the Near East a young artist plunging into unfamiliar cultures notebook always in hand drawing what she observed Returning to New York City after 9 11 to study art she posed nude for sketch artists and sketchy photographers danced burlesque and modeled for the world famous Suicide Girls Frustrated with the academy and the conventional art world she eventually landed a post as house artist at Simon Hammerstein s legendary nightclub The Box the epicenter of decadent Manhattan nightlife before the financial crisis of 2008 There she had a ringside seat for the pitched battle between the bankers of Wall Street and the entertainers who walked among them a scandalous drug fueled circus of mutual exploitation that she captured in her tart and knowing illustrations Then after the crash a wave of protest movements from student demonstrations in London to Occupy Wall Street in her own backyard led Molly to turn her talents to a new form of witness journalism reporting from places such as Guantanamo Syria Rikers Island and the labor camps of Abu Dhabi Using both words and artwork to shed light on the darker corners of American empire she has swiftly become one of the most original and galvanizing voices on the cultural stage Now with the same blend of honesty fierce insight and indelible imagery that is her signature Molly offers her own story an unforgettable memoir of artistic exploration political awakening and personal transformation **Doctor**
