Waverley Magazine ,1852 **A Reader on Classical Islam** F. E. Peters,1993-12-27 To enable the reader to shape or perhaps reshape an understanding of the Islamic tradition F E Peters skillfully combines extensive passages from Islamic texts with a fascinating commentary of his own In so doing he presents a substantial body of literary evidence that will enable the reader to grasp the bases of Muslim faith and more to get some sense of the breadth and depth of Islamic religious culture as a whole The voices recorded here are those of Muslims engaged in discourse with their God and with each other historians lawyers mystics and theologians from the earliest Companions of the Prophet Muhammad down to Ibn Rushd or Averroes d 1198 al Nawawi d 1278 and Ibn Khaldun d 1406 These religious seekers lived in what has been called the classical period in the development of Islam the era when the exemplary works of law and spirituality were written texts of such universally acknowledged importance that subsequent generations of Muslims gratefully understood themselves as heirs to an enormously broad and rich legacy of meditation on God s Word Islam is a word that seems simple to understand It means submission and more specifically in the context where it first and most familiarly appears submission to the will of God That context is the Quran the Sacred Book of the Muslims from which flow the patterns of belief and practice that today claim the spiritual allegiance of hundreds of millions around the globe By drawing on the works of the great masters Islam in its own words Peters enriches our understanding of the community of those who have submitted and their imposing religious and political culture which is becoming ever more important to the West

Judaism, Christianity, and Islam: The Classical Texts and Their Interpretation, Volume III F. E. Peters,2018-06-05 Invoking a concept as simple as it is brilliant F E Peters has taken the basic texts of the three related and competitive religious systems we call Judaism Christianity and Islam and has juxtaposed them in a topical and parallel arrangement according to the issues that most concerned all these children of Abraham Through these extensive passages and the author s skillful connective commentary the three traditions are shown with their similarities sometimes startlingly underlined and their well known differences now more profoundly exposed What emerges from this unique and ambitious work is a panorama of belief practice and sensibility that will broaden our understanding of our religious and political roots in a past that is by these communities definition still the present The hardcover edition of the work is bound in one volume and in the

paperback version the identical material is broken down into three smaller but self contained books The third The Works of the Spirit focuses on spirituality and worship and contains material on monasticism theology mysticism and the End Time Throughout the work we hear an amazing variety of voices some familiar some not all of them central to the primary and secondary canons of their own tradition alongside the Scriptural voice of God are the words of theologians priests visionaries lawyers rulers and the ruled The work ends as does the same author s now classic Children of Abraham in what Peters calls the classical period that is before the great movements of modernism and reform that were to transform Judaism Christianity and Islam
