Wetland Economics 1989 1993 A Selected Annotated Bibliography Bibliographies And Indexes In Economics And:

Wetland Economics, 1989-1993 ,1995 A major source of land use policy controversy in the United States and worldwide for at least a decade wetlands are the subject of a rapidly growing literature across many disciplines This bibliography brings together the salient works on the economic and related restoration and delineation aspects of wetland resources Covering recent literature it includes 80 entries on methodological aspects of wetland economics and 195 entries on empirical issues 74 entries on wetland restoration creation economics and 111 entries on delineation definition issues Each of the four major sections begins with a short overview of the literature followed by an annotated bibliography Most of the literature covered pertains to the United States and Canada but relevant international works are included Although most of the literature was published from 1989 to 1993 some earlier works are identified and some early 1994 publications are included as well

Wetland Economics, 1989-1993 ,1995 A major source of land use policy controversy in the United States and worldwide for at least a decade wetlands are the subject of a rapidly growing literature across many disciplines This bibliography brings together the salient works on the economic and related restoration and delineation aspects of wetland resources Covering recent literature it includes 80 entries on methodological aspects of wetland economics and 195 entries on empirical issues 74 entries on wetland restoration creation economics and 111 entries on delineation definition issues Each of the four major sections begins with a short overview of the literature followed by an annotated bibliography Most of the literature covered pertains to the United States and Canada but relevant international works are included Although most of the literature was published from 1989 to 1993 some earlier works are identified and some early 1994 publications are included as well United States Entrepreneurs and the Companies They Built Wahib Nasrallah,2003-08-30 This pioneering work provides an index to over 1 700 biographies of prominent U S entrepreneurs innovators and company executives published in over 120 biographical collected works which are identified examined and indexed here These collected works cover a span of over 100 years and include men and women who shaped the history of American enterprise In the past collected works such as these have never been indexed but finally this book makes the biographies accessible to the general public Wahib Nasrallah has created the only book available today that indexes these stories of corporate success as they are documented in collected works of biography A large number of executive biographies are published in collected works that are rich with stories of American enterprise male and female entrepreneurs of many ethnic backgrounds Since these stories have never been indexed before United States Entrepreneurs and the Companies They Built An Index to Biographies and Collected Works is a central research tool in both academic and corporate worlds **Bulletin of Bibliography** ,1997

Bibliographic Index ,1998 **Handbook of United States Economic and Financial Indicators** Frederick M. O'Hara,F. O'Hara,2000-01-30 Designed to answer questions about the makeup purpose use and availability of economic indicators in a broad sense of the term this book includes entries on 284 indicators 137 of which are new to this edition In

addition to identifying and describing indicators the entries show how they are calculated where they are published how they are used where their values are published and where one can find further information about them Covering those indicators that are readily available through publication in newspapers and journals on the World Wide Web in library collections or in government publications the book will guide the researcher and librarian to current and historical values of these indicators and answer questions about their structure function and calculation Arranged in dictionary format with extensive cross references and indexing the book is easy to use Appendixes provide additional information on the authors and publishers of the indicators and their values as well as an extensive reading list on the subject A final appendix identifies and defines tongue in cheek indicators that are frequently mentioned by professionals and in the press
