IN HIS NAME E. Christopher Reyes,2014-05 Today almost all the major Christian sects tell their

followers what they can or cannot read The truth could be disastrous to their faith In 1562 the Vatican established a special censoring office called Index Expurgatorius whose sole purpose was to prohibit the publication of Erroneous Passages of the Early Church Fathers which carried statements opposing their modern day dogma The Word is whatever the Christian Church says it is and when Vatican archivists came across genuine copies of the Church Fathers they corrected edited added abridged condensed and supplemented them according to the Expurgatory Index Index Expurgatorius Vaticanus R Gibbings ed Dublin 1837 The Literary Policy of the Church of Rome Joseph Mendham J Duncan London 1830 2nd ed 1840 The Vatican Censors op cit p 328 But throughout history few but the great thinkers of society understood this symbiotic relationship of politics and religion and those who spoke out became stigmatized by both the powerful priesthood and the ruling oligarchy You sniveling priest you are imposing delusions upon society for your own aggrandizement Voltaire French philosopher rationalist free thinker _____ All developed societies are but an extension of the political views of the ruling oligarchy upon the many the suffering poor If every criminal and inhumane act ever committed were traced to its root cause that root would be buried deep in religion Sherry Matulis activist 1931

J. Gagnon,2001 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality His strong and clearly articulated argument establishes that the Bible contains a unanimous witness defining same sex intercourse as sin He does so while rigorously engaging biblical scholars and historians who have written both for and against this understanding of same sex intercourse In addition he demonstrates systematically why attempts to classify as irrelevant for our contemporary context the Bible's rejection of same sex intercourse fail to do justice to the biblical texts His conclusions are clear and compassionate as he cautions readers on all sides of the debate against a truncated gospel and challenges all to strive for a holistic view of the command to love God and neighbor **AA, Spiritual Issues, and the Treatment of Lesbian and Gay Alcoholics** Steven Lorain Berg,1989
