What Comes Around Allison Mystery:

What Comes Around Adair Sanders, 2015-12-14 Tenacious young attorney Allison Parker leaps into another gripping murder investigation in *What Comes Around* the second book in this riveting legal mystery series set in Fort Charles Alabama. The story finds private investigator Frank Martin inviting Allison to join him once again since they'd made such a great team before. Frank's been hired by Sheriff Toby Trowbridge to help track down clues to the case of a dismembered body that was discovered in a shed near the interstate. While Allison mulls over her decision, her law partner David Jackson is visited by a well-to-do stranger named Jefferson Boudreaux seeking help in contesting the will of a very wealthy local woman he claims is his birth mother. Intrigued, David takes the case while Allison can't help but agree to Frank's offer despite her busy workload and her husband's concerns. Readers won't be able to put down this compelling story as the mysterious death quickly escalates into a race to stop a brutal sex crime killer from striking again. A child of the South with a long history as an attorney, author Adair Sanders has crafted yet another compelling legal thriller with the resolute Allison Parker as the star.

Alison Paul S. Levy, 2010-07-21 The ghost of six-year-old Alison Marie Hardy has wandered the property of southern New Mexico's wealthiest pecan farming family for decades, but it is her frequent appearances in the spooky tree tunnel near the village of Pequeno that have made the residents fearful of driving on Highway 28 at night. Little Allison has but one mission: to summon the help of terrified bystanders to help her find her father. When she steps in front of Big Joe Silva's pickup truck on a skinny stretch of highway in the dark of night, she sets into motion a chain of events that soon reveals a town's long-held secrets and raises questions as to why the only two people old enough to know the truth about Alison are remaining silent. But Alison refuses to give up as she continues to tease horrified observers and torment the pecan farming family. The reconciliation of Alison's soul depends on the truth that she and her supporters so desperately seek: the same truth that others are so anxious to keep hidden. But before her spirit can be freed and the people of Pequeno can sleep peacefully, Alison must confront the man who betrayed her seventy years earlier.

Pandora's Stone Roy G. Bivlowski, 2023-08-10 In a collage of small town stories, three strangers return home dealing with hardships that divide family, beggar faith, and test their sanity. Allison loses her favorite uncle, Brent confronts humanity's self-destruction, and Kevin trades his future for his addiction. It goes from bad to worse. Haunted by a mad spirit, they struggle to find the path back from hopelessness and learn there's more to fear in the tame than in the wild.

Lost Devil's Throne Kristin Stefanos, 2010-02-22 What you don't know can come back to bite you. What happens when things which exist only in legend become your entire universe? Alexandra Drakis never thought she'd have anything but a normal life until the night she is found by a vampire and realizes she is anything but normal. She is plunged headlong into a dangerous world where nothing is entirely what it seems and learns the line between good and evil is blurry at best. Close your eyes and hide under the covers, but the monsters never go away and no one can hide forever.
