personality Sirius NASCAR Radio It could so easily have been a disaster Everyone knew it from CBS executives and owners of local CBS affiliates to NASCAR founder Big Bill French to driver and NASCAR booster Darrell Waltrip If anything went wrong with the first ever live start to finish broadcast of America's premier stock car race a lot of people were going to lose a lot of money It would also be the last ever live broadcast of a NASCAR event The Great American Gamble tells the gripping tale of the event that instead made NASCAR the multibillion dollar powerhouse it is today the 1979 Daytona 500 Based on new interviews with all the major drivers in the race and others involved including Richard Petty crew chief Dale Inman and Kyle Petty Bobby Allison and Donnie Allison Cale Yarborough Benny Parsons Junior Johnson Buddy Baker Darrell Waltrip A J Foyt Ned Jarrett Humpy Wheeler Ken Squier Richard Childress Jim Hunter David Pearson Doug Rice Ricky Rudd Geoffrey Bodine Sterling Marlin Marvin Panch Leonard Wood Eddie Wood Larry McClure and Michael Waltrip this is the ultimate high octane account of the most important race in NASCAR history *In the Blink of an Eye* Michael Waltrip, Ellis Henican, 2011-02-01

There was one lap to go in the 2001 Daytona 500 NASCAR's most celebrated event Michael Waltrip and Dale Earnhardt Jr were running one two Junior's legendary dad the driver race fans called The Intimidator was close behind in third blocking anyone who might try to pass Waltrip couldn't stop thinking about all the times he'd struggled to stay ahead and the 462 NASCAR Cup races he'd lost without a single win He'd been a race car driver all his adult life following in the footsteps of his brother Darrell a three time NASCAR champion And his losing streak was getting more painful every race But this day he knew could be different He was driving for Dale Earnhardt now racing as a team with his close friend and mentor Yet as his car roared toward the finish line ending that losing streak once and for all Waltrip had no clue that the greatest triumph of his life could get mired in terrible tragedy This is the story of that fateful afternoon in Daytona a day whose echoes are still heard today But the story begins years earlier in a small town in Kentucky with a boy who dreamed of racing cars a boy who was determined to go from go karts to the highest levels of NASCAR For the first time ever Michael Waltrip tells the full revealing story of how he got to Daytona what happened there and the huge impact it had on so many in the racing world He reveals for the first time how his own life changed as he dealt with guilt faced his grief and searched for the fortitude to climb into a race car again It's an inspiring and powerful story told with Michael's trademark humor honesty and irreverence It's a story of family fulfillment and redemption and well earned victory in the end **He Crashed Me So I Crashed Him Back** Mark Bechtel, 2010 **True Speed** Tony Stewart, Mark Bourcier, 2002-04-16

Some people probably wish Tony Stewart would just shut up and drive His detractors think he has a big mouth and is prone to temper tantrums But really Tony's problem is that he's too honest and as Tony says in this sport honesty can get you in a lot of trouble But you can't take the drive out of the man Tony Stewart is one of the most controversial stars to hit the Winston Cup scene famous for his four letter outbursts and badass behavior In True Speed he takes you on a no holds barred trip around the track to the pit stop and behind the scenes NASCAR's 1999 Winston Cup Rookie of the Year has been penalized slammed and knocked around He has spun out

Jeff Gordon's car on pit road no less. He has had shouting matches, brawls and heated discussions with other drivers and NASCAR officials. He has clashed with reporters, sometimes physically, all the while maintaining one of his core principles: honesty. I'm not always the easiest guy to interview. But I do think I'm one of the most honest, and that's not going to change. Stewart will not accept defeat. He knows that he wasn't born to be a loser, and he justifies it with stark honesty.

Between these pages, True Speed, told by Tony himself, discusses it all, from playing with Matchbox cars to actually racing go-karts, midgets and stock cars. In True Speed, Tony doesn't only talk about the simple details of the tracks or the cars; he discusses the science of the race, the machines, the brakes, the tires, and the tracks. He also describes the mental and physical challenges he has to endure on every ride, the head games the job can play on him, the claustrophobia he suffers from, as well as the lifestyle and pressures of the job.

In three full seasons of competition in the NASCAR Winston Cup series, Tony Stewart has compiled one of the most impressive records in series history. But True Speed tells more than Tony's NASCAR tale. His reputation was made in midgets and sprints and Silver Crown cars; later, in 1997 and 1998, he established himself as an Indy Racing League star. He recounts his open-wheel days fondly and in great detail. Tony Stewart's story is one of a gritty racing life, fast, uncompromising, and nothing less than a checkered flag.

Nascar Safety on the Track Mark Stewart, Mike Kennedy, 2009-01-01 "Then Junior Said to Jeff..." Jim McLaurin, David Poole, Tom Gillispie, 2012

For more than half a century, NASCAR has been defined by precise decision making at breakneck speeds, where one false move could spell the difference between victory and peril. But high speeds and even higher stakes are not the only things that separate stock car racing from other athletic endeavors. NASCAR's brotherhood of characters are often as colorful as their cars, and their on-track rivalries are every bit as bitter as their off-track allegiances are sincere.

In Then Junior Said to Jeff, co-authors David Poole, Jim McLaurin, and Tom Gillispie have compiled the greatest stories of NASCAR racing. This updated and revised version features new anecdotes wading through nearly 60 years of heroics and hijinks to share the most memorable tales of the sport. From the King to the Intimidator, Daytona to Darlington, and Junior to Jeff, this volume brings NASCAR fans the behind-the-scenes stories about the greatest drivers and their favorite races.
