Knowing God Frank Sheed, 2012-10-01 Atheists deny we can know God because they deny there is a God to know But even believers who affirm God's existence sometimes don't know him They don't know much about God because they neglect to think much about God and what God has revealed about himself They accept that there is a God but they don't give much thought to what God is like And even if they know a great deal about God in the sense of being able to state truths about him they don't necessarily know him personally and intimately In *Knowing God* previously titled *God and the Human Mind* the great Catholic writer teacher and publisher Frank Sheed helps readers to know that God exists to think about who and what God is and to know God personally He clears away popular misunderstandings of God often held by otherwise knowledgeable people A masterful lucid writer Sheed is not timid about tackling the most challenging questions the human mind can pose about God yet he does not reduce divine mystery to dry propositions or neglect the necessity of faith Sheed acknowledges the limits of human words and human minds when it comes to God At the same time he carefully explains the meaning of Spirit the role of theology and revelation including the place of the Bible in the Church and the experience of God in mysticism In the final section Sheed goes into the heart of the mystery of God exploring God as the Trinity and the difference the Trinity should make in understanding God and ourselves

The Concept of the Knowledge of God Brian Haymes, 1988 **Who Is God?** Henry Loyd Copeland, 2008-02-04 About Who Is God Who is god is written for all humankind It contains a most powerful message about two way communications between the reader and God Getting to know God requires communication In other words the prerequisite to getting to know is two way communications between the reader and God The reader actually becomes interactive with God A fundamental communications model is presented illustrating some of the simplicities and some of the complexities associated with communicating However the book proceeds to make two way communicating quite simple between the reader and God This simplicity is achieved by identifying defining and elaborating on terms relevant to good communications The reader asks Who am I and an answer is provided This is followed by an introduction to God followed by an introduction to Jesus Christ The Holy Spirit The Holy Trinity and love With this background the reader communicates with God and God communicates with the reader Who is god informs the reader as to how God communicates with the reader how the reader communicates with God some of God's messages to the reader some of the reader's messages to God and finally the reader's conclusions after knowing himself or herself and God better The profound impacts of Who is god on the reader are 1 recognition of the true God God of the Holy Bible 2 realization that God has established the ultimate communication model and 3 realization that this type of relationship with God is both a the source of peace and joy and b the solution to terrorism crime addiction prejudice and deprivation *GOD'S Gods* , 2020-06-25 Increasingly in our modern society humanity has almost lost its sense of reverence and respect for the Sacred God's name is abused as an explicative The name of Jesus Who died to redeem all who believe on His Holy Name is used as a curse word Some don't believe in any deity Interestingly some declare themselves to be Gods so no wonder the Bible predicts a man will arise to declare himself to be something greater than God II Thessalonians 2:3-4 GOD's gods is my attempt to share what God's word teaches on the subject Although Jesus statements regarding His title as Son of God were considered as hard sayings meaning difficult to understand or to accept scripture taken as a whole brings the subject into an understandable perspective Simply put God's gods are children of God **Who Is God** Denise Burton, 2014-12-13 Who is God Is He Real or Is He a Myth will inspire you to turn to the Bible to find the answers to life's most perplexing questions Author Denise Burton describes how in her own journey for answers the more she studied the Bible the clearer it became to her that the Word of God is the only way to make sense out of an often very confusing world The book is written in an easy to read personable style that frequently asks the reader questions to draw them in as it explains that the Bible tells the story of how everything came into existence and why As she guides you on an enlightening journey through the Bible Brooks provides inspiring examples from personal experience and looks at issues from various perspectives in a thought provoking discussion about how biblical themes apply to real life One day we will all

stand before God But will you spend eternity with him Who is God Is He Real or Is He a Myth inspires you to think and motivates you to read the Bible for yourself to find meaning purpose and ultimately salvation in God s Word **What's God Really Like** S.J. Hill,2018-04-10 For many God is a distant frightening entity God may be personal but they would not think of him as having a personality much less an enjoyable friendly relatable personality Author S J Hill has spent years studying and more importantly experiencing this topic He has counseled many people young and old whose ideas about God left them frightened and hopeless He has also experience the presence and love of a wonderful heavenly father who has a fascinating personality The result is his book What s God Really Like Unique Insights into His Fascinating Personality What if God can laugh and dance What if the One True God is affectionate rather than angry beautiful rather than mean and ugly deliberately weak instead of a cosmic bully S J Hill pulls back one veil after another allowing you to see God as few authors have ever described This God is actually joyful and beautiful beyond anything you ve possibly ever imagined This book is a powerful tool for personal study As you read you will be ushered out of the hog pen of prodigal living and personal striving and into the healing arms of a Father who wants to dance with His sons and daughters It is also a powerful tool for teaching and ministry The way we think of God will impact our experience and our ability to live a fulfilling Christian life The way a teacher thinks and teaches about God can be either helpful or very destructive to those he or she teaches Imagine what could happen in our churches if we gave witness to a God such as this Whether you re reading it for yourself or using it in teaching What s God Really Like will change your perception of God and it will change you **The Attributes of God** Arthur W. Pink, In this classic work Arthur W Pink presents a thorough and profound study of the attributes of God With meticulous care and deep reverence Pink explores the depths of God s character from His sovereignty and immutability to His love and grace This book is an essential resource for anyone seeking to deepen their understanding of who God is and how His attributes impact our lives and faith **God's Absolute Love Truth** Joy Maloy,2020-08-25 In the Bible we read in Isaiah 55 8 9 that God s thoughts and ways are higher than our thoughts and ways as higher as the heavens are higher than the earth higher So why wouldn t we want to know what they are And even though the Bible inspired by God was written by different men at different times in history it is consistent In fact we see things repeated throughout it that can teach us something about God For instance when we see fingers in the Bible we can find a message about judgment In this book we follow things that are repeated in the Bible to learn about God God s word is amazing like that And God s Word is the absolute love truth **Questions about God** P. J. Clarke,2001 This easy to read text is divided into four main areas of importance for student understanding The existence and nature of God God and science God and experience and God and language
